

Government College Hindaun City (Karauli)

Best Practices

Session- 2018-19

- 1. Green initiatives:** Green initiatives within and outside the campus have been a significant contribution in raising environmental consciousness. Government College, Hindaun City green initiatives encompass greening the campus, sweeping away wasteful inefficiencies, conservation of energies, correct disposal and handling of waste, purchase of environment friendly supplies and effective recycling program. Approximately 150 plants were planted in the campus. For ensuring the participation of students in developing the greenery and environmental consciousness, students are promoted to plant trees in the neighbourhood of their houses.
- 2. Plastic Free Campus:** Plastic is harmful material which is not biodegradable. PFC is dedicated to helping college fight single-use plastic pollution worldwide. PFC helps college make a difference for the environment and our own health.
- 3. Cleanliness:** Cleanness is one of the best practices a human being can process. Cleanliness refers to keeping one's self and also the surroundings clean and tidy. It is considered as an essentiality for a civilized society. Since decades, eminent politicians and notable public figures have been stressing on making cleanliness a habit.
