

# Government College Hindaun City (Karauli)

## Best Practices

### Session- 2019-20

- 1. Plastic Free Campus:** Plastic is harmful material which is not biodegradable. PFC is dedicated to helping college fight single-use plastic pollution worldwide. PFC helps college make a difference for the environment and our own health.
- 2. Cleanliness:** Cleanliness is one of the best practices a human being can process. Cleanliness refers to keeping one's self and also the surroundings clean and tidy. It is considered as an essentiality for a civilized society. Since decades, eminent politicians and notable public figures have been stressing on making cleanliness a habit.
- 3. Green initiatives:** Green initiatives within and outside the campus have been a significant contribution in raising environmental consciousness. Government College, Hindaun City green initiatives encompass greening the campus, sweeping away wasteful inefficiencies, conservation of energies, correct disposal and handling of waste, purchase of environment friendly supplies and effective recycling program. Approximately 150 plants were planted in the campus. For guaranteeing the investment of understudies in fostering the plant life and natural cognizance, understudies are elevated to plant trees in the neighbourhoods of their homes.
