16. What had been your disappointments related to course curriculum, infrastructure, academic environment, teacher-student relation etc? Please specify. 26 responses

1. Job oriented studies must be started so students will get more job opportunities. Should be more student friendly and carrier oriented •
2. lack of staff
3. Curriculum is lengthy
4. Additional infrastructure for research activities required
5. Extra curricular activities interfere in teaching
6. More Toilets and Waterhuts are required Frequent exchange of academic n cultural activities amongst Students and teachers is suggested.

17. Suggestions regarding curriculum.

1. Felicitate more practical approach
2. More practical approach is beneficial for students
3. More practical aspects should be introduced in curriculum
4. Their should be proper balance between the academic activities and extra curricular activities for all round development of the students. There should be a department for compulsory subject teachers also. Thanks.
5. Need of Updation in library and computer lab
6. Field visit and small projects for students should be compulsory part of syllabus
7. Practical exams may be held before Theory exams
8. Practical exams may be conducted before Theory exams
9. Field Visits
10. Field work and experiential learning can be promoted.
11. Student participatory approach should be taken into consideration
12. Competitive/job exam based class should be organized
13. Lack of faculties and subordinate staff is troublesome for higher studies
14. Sports and more student related activities required for their overall development.

18. Any other suggestion

1. May include more job oriented course
2. Include job oriented course
3. It should be job oriented
4. In course curriculum One review paper must be included for PG students to promote research .
5. In my subject - English, the syllabus is somewhat lengthy, it could have been cut shortened in proportion to the marks of the examination.
6. computer should be added in practical perspective to curriculum
7. Curriculum should be job oriented
8. Should be job oriented
9. Should be job oriented
10. To increase educational excursionsal visit
11. Multidisciplinary approach should be promoted as suggested in NEP.
12. Curriculum should be in pace with job market
13. Skill development oriented course shoul be incorporated
14. Emphasis should be given to teaching..
15. Develop plans, methods and processes.
16. It should be more job oriented
17. BSc II Zoology curriculum is quite lengthy as compared to I and III year.

Submitted to Apex Committee for necessary action.
