At the outset, all the members were welcomed and the overview of DLQAC was presented. Members were briefed about the necessity, background concept and progress of DLQAC at the divisional level in the state. Member Secretary State Level Quality Assurance Cell (SLQAC), Dr. B.L. Sharma remarked and desired that all institutes of higher education and specially Govt. Colleges should work in coherence with each other and with DLQAC and subsequently SLQAC so that maximum benefit can be availed thus making a way forward to the growth in quality of higher education in State.

Various issues were deliberated upon and following resolutions were taken unanimously-

- Convene a meeting of respective DLQAC within one week and give necessary directions to the District Nodal Colleges
- For fast and effective communication, create Whatsapp groups at divisional and district level
- Organize awareness programs and training workshops regarding accreditation by NAAC. Prepare a detailed proposal for the training workshop and submit it to SLQAC
- Pursue the affiliating Universities for nominating a representative in respective DLQAC
- Motivate colleges for getting 2f, 12B registration and also for SSR preparation
- All those colleges that have undergone first cycle of accreditation have to submit AQAR every year. DLQAC should ensure that AQAR is being regularly filled by every eligible college. Since AQAR once filled cannot be altered, so it should also be ensured that the data filled in AQAR is correct and matches with the data filled in AISHE and SSR
- Ensure that for every college, data related to NAAC is maintained and regularly updated at district and divisional level also
- Web Portal of each college should be updated regularly
- Roles and responsibilities of each member to be decided in the first DLQAC meeting of each division and the same to be communicated to SLQAC
- All the regional Office Assistant Directors to actively participate and assist in collection and consolidation of data and also to liaison with the affiliating universities for expediting the issues of colleges with Universities

Meeting ended with a vote of Thanks
