# Government Girls College, Chomu

## At a Glance

Government Girls College, Chomu is situated in a progressive town Chomu, 33 kms. away from Jaipur on national highway 11. The college was established in July, 1999 with the objective of women education of this rural area. The college was shifted to the existing building on 21.02.2007.

### VISION

To Mould, Equip and Empower young minds for achieving Physical, Intellectual, Social and Spiritual potential as Individuals and Responsible Citizens.

### MISSION

- Tap the full Potential of Students.
- Holistic Development of the Personality of Students.
- Pursuit of Academic Excellence.
- Enabling Students to Participate in Public Domain

### AIM

The aim of the college is to nurture and mould our students into a personality possessing the virtues of idealism, good character, perfect knowledge of subject, rationality and self confidence by providing them with multi - dimensional education and letting them explore new ventures in their respective subjects using modern available resources.

Presently the college is running Graduation courses in the three streams i.e. Humanities, Commerce and Science (Biology and Mathematics). The college is equipped with well organized laboratories in the practical subjects like Home Science, Psychology, Geography, Chemistry, Zoology, Botany and Physics. In the college, Post Graduation courses in History, Political Science, Hindi Literature and chemistry are available. Currently around 2500 girls are registered as regular students in our college.

Our college has always held an excellent position in Academic, cultural and co - curricular activities with an annual average passing percentage of 95 %.

Our students have won many laurels for our institution by getting themselves selected in various avenues of job opportunities, like administrative services, college education, school education, charter Accountancy and many more. They have also represented our college in nationals for various games and sports.

The college atmosphere tries to introduce the students with ever growing modern education along with inculcating the virtues of cultural education amongst them. This Faculty Development Programme is planned to be a milestone for professional excellence of the college teachers of Home Science.
