

## **Sw. PNKS Govt. PG College, Dausa (Best Practices As Per NAAC Format) BEST**

### **PRACTICE – I**

#### **Title of the Practice: Gender equality and women empowerment.**

##### **Objectives of the Practice:**

- To provide environment conducive to the feeling of fearlessness security, self esteem Gender dignity among female students.
- To encourage female students for participating in games and other cocurricular's activities.

The proposition of female students in the total number of students enrolled has gradually increased over the last few years. In the current session their number is more than three thousand keeping this trend in mind the institution has decided to take all the issues related to female students on top priority. In its wake the atmosphere on the campus is such that the female students get equal opportunities for higher learning and personality development without any feeling of fear, insecurity and interiority. At the beginning of the session orientation programs are organized for students to convey the message of gender equality, and acquaint them with the traditional and customs of this institution the anti-ragging and preventing of harassment to woman committees are constituted to ensure safe and peaceful atmosphere on the campus. The womens cell conducts different activities to enhance the skills in female students. This is one of the few co-ed colleges in Rajasthan, which has representation in intercollegiate women tournaments as a modal college of the district. Evidence of Success: Enrolment of girls has significantly gone up over the last few years. The university examination results indicate better performance female students. It is also noteworthy that three teams of this college have participated in the intercollegiate tournaments for women.

Counselling the girls for their involvement and participation in all the college activities was a major challenge as most of the girls studying in the Institution belong to the rural background with limited access towards facilities and family constraints.

### **PRACTICE – II**

#### **Title of the Practice: Waste disposal:**

##### **Objectives of the Practice:**

To provide Green and Clean Environment in College Campus

Separate bins for different types of waste are placed at appropriate places, vermicompost unit is functional for disposal of biodegradable solid waste. The waste water produced from centralized R.O.plant is utilized for watering the plants, floor cleaning and mopping.
