

Infrastructure is the backbone of any system or setup, without its being adequate, the body cannot function smoothly and effectively. Structures and facilities like buildings, roads, electricity and water fall into this category. New features or items keep being added to the list according to needs of that particular system. So, upgrading it from time to time is important. All the parts of the infrastructure are equally essential and a drawback of maintenance anywhere impacts the whole system. Sw. PNKS Govt. PG College, Dausa exhibits all the conventional ingredients of the infrastructure which were considered good enough at point of time. But with the increase in student strength focus was made on Infrastructure development including college building, classrooms, roads, library and other facilities like water purification equipment (RO) was installed. With the advent of e-learning and e teaching, classrooms had to be smart and the faculty more technology savvy. With this aim E classroom was constructed which will be used for academic activity. In the area of sports there was only an outdoor playground and badminton courts which were not indoor either. But when the need arose to modernize this, a well equipped gymnasium and an indoor sports complex were constructed. As the number of students increases every year the institution has made it a policy to enhance and upgrade the infrastructure utilizing the grants from UGC, resources generated through fees from the students and funds from 'Vikas Samiti'. At present the total area of the institution is 14.48 hectares i.e. 1484470 sq. mts. There are 52 classrooms, with fans and lights and green boards' projectors. There are nine laboratories, one botanical garden, two computer labs, one language lab and one knowledge centre. It has been resolved that in addition efforts are on to complete the construction of two classrooms and one washroom for girls in the PG block. Well qualified faculty forms the backbone of learning resources for students. Each and every teacher is easily accessible to students even outside the classrooms, available to answer their queries, resolve their issues and difficulties if any and guide

them towards their goal. The institution has a rich and fully automated library with thousands of books on all subjects by both Indian and foreign authors. The library subscribes to various journals, magazines and research papers useful for faculty as well as students. Equipped with computers and internet as well as e- journals and other relevant online material from all over the world is available for both faculty and students. INFLIBIT is an excellent learning resource and very soon this campus is going to be wi-fi enabled. The Youth development centre at the college organizes lectures on various employment oriented topics by inviting experts on a regular basis. In addition to this year round activities are held under banner of NSS & NCC. The facilities include: The college has twelve multimedia interactive boards plus LCDs, OHPs and laptops available, and the faculty members who want to make use of them, do so.
