

Institutional Distinctiveness

Seth RL Saharia Government PG College, Kaladera was started in 1959 to provide access to higher education to students of the rural hinter-land, marked by the dearth of such facilities. Since its inception, it has catered to the academic imperatives of an area of about 80 kms in its periphery. Today it facilitates and fosters the higher education of around 5000 regular students and 10000 private students. There has been a plethora of socio-political, techno-scientific, economic and environmental changes since the college's initiation. However, this dynamic institution, incorporating the necessary changes has evolved into a platform for multifaceted development of the students and the faculty.

The institution with its qualified faculty has been striving hard to impart quality higher education to the rural youth. The fact that the students have an agrarian background coupled with economic constraints is considered and all efforts are made to mitigate the hurdles posed by them in procuring education. The faculty of the institution is aware and is accordingly geared to meet the students' needs of this area. This institution aims at promoting knowledge, scientific temper and culture. To make teaching learning effective the institution has a rich library, gymnasium, conference room, well equipped Chemistry, Physics, Botany, Zoology, Computer laboratories, projectors, internet, Wi-Fi and other ICT facilities. The college has the required infrastructure to conduct curricular, extracurricular and administrative activities. The college ensures holistic development of students through participation in the various activities of YDC, NSS, NCC, Yojna-Manch, Women Study Cell, Kala Parishad, Vigyan Parishad, Vanijya Parishad, etc. The facilities for various games and sports such as cricket, badminton, basket ball, volley ball, wrestling, boxing, athletics, table tennis, kabaddi, etc. also contribute to the all round development of the students. The institution has mechanism for academic and administrative auditing.

The College aims to prepare its students for life by providing them with an environment of academic enrichment and by inculcating moral and spiritual values in them in such a way so as to enable them to become good citizens and social leaders of the future. The vision of being an institution of academic excellence with innovative orientation, promoting an environment of articulate, moral and socially committed individual in this rural, under developed area defines the contours of the college's distinctive characteristics. The institution aims to produce dedicated citizens, who are ready to work for the betterment of the Society and the Nation.
