

Procedures and policies for maintaining and utilizing physical, academic and support facilities

The college has developed a rich infrastructure base for maintaining the quality of academics and other programs. Our college is affiliated to University of Rajasthan Jaipur. The Affiliating University designs the curriculum and Commissionerate of College Education, Rajasthan designs the Academic Calendar which is effectively implemented by the Institution. Some of the faculties are the members of Board of Studies in the affiliating University.

There are 30 adequately ventilated and well equipped grand size rooms in this college. Separate rooms with all facilities are also available in the college for smooth conduction of NSS, NCC, YDC, Scout and Guide activities.

The departments of Chemistry, Zoology, Botany, Physics, Home Science, ABST, and Hindi have separate room with all basic facilities for proper conduction of respective departmental activities. Department of Chemistry, Zoology, Botany, Physics, mathematics, Home Science has well equipped laboratories. Faculty uses modern teaching aids like, PPTs, and E-content available on internet. The institution possesses its own spacious playground for various indoor and outdoor games.

Main funding source of the infrastructure development are the state government, UGC, MP and MLA led funds and college Vikas Samiti.

To cater the needs of differentially abled students there are ramps and other physical facilities are made available to them. The institution has a rich library with necessary computer facility. There is an effective mechanism for the maintenance of the infrastructure facilities.

To maintain the various support facilities there are funds issued by central and state governments which are utilized by the institution by a thorough process of discussions with the various departments and likewise the amount is distributed to the departments accordingly to meet their needs for developing the facilities for better teaching and learning of the students.

The Institution constantly upgrades its IT infrastructure as per the requirements, from time to time.

Fund received are also utilized for the upgradation and repairing of the existing infrastructure of the laboratories and various and various departments of the institution.

There are various committees in the institution for the overall efficient functioning of the college which looks after the needs of the students and college faculty for the better teaching and learning in the campus
