

## **INSTITUTIONAL DISTINCTIVENESS-**

**Catering to need based student centric education of both rural and urban students, ensuing fair and equal access to them and also providing social equity to diverse group of students is the most distinctive feature of the institution.**

The main vision of our institute is providing an accessible and adaptable education without compromising academic standards. To be as a center of academic excellence in creating and disseminating knowledge and providing students a unique learning experience in Science, arts commerce providing students an environment for all round development, nurture them for a successful career as well as to contribute to the betterment of the society.

We also aim to change students' perspectives, values and priorities and to transform positive energies to meet life's challenges, enabling students to deep learning and rational thinking

Other than this the College is highly conscious towards environment and issues related to environment. Significant days like Earth Day, Nature Conservation Day, Ozone Protection Day and Pollution Prevention Day and other days of important issues are not only celebrated but extension lectures by faculty and experts are also organized .

The NSS, Scout, Women Cell also conduct Awareness programs, debates and rallies on Road Safety, AIDS, Seasonal Diseases, female infanticide, water conservation, save girl child and human values regularly.

YDC, Placement cell, and Skill development cell organizes lectures for skill enhancement, career guidance, placements, coaching for competitive exams, research, innovations and social service.

Blood donation camps, Swachh Bharat and various awareness programs.
