

# INSTITUTIONAL DISTINCTIVENESS

## SRP GOVERNMENT PG COLLEGE BANDIKUI

*“Delusion will vanish as the light becomes more and more effulgent, load after load of ignorance will vanish, and then will come a time when all else has disappeared and the sun alone shines.” - Swami Vivekanand*

At the **SRP GOVT. COLLEGE, BANDIKUI** we remain dedicated to our mission of creating educated citizens by preserving our core values while seeking new strategies to meet the challenges of a dynamic educational and cultural point of view. The college is committed to provide academic excellence to all its pupil, this reflects our motto of **“ME MAN SHIV SANKALPAMASTU”**. That is “I owe to the welfare of all or “ my heart always wish the global welfare”

We strive to provide a supportive environment in which students, at every stage of their career, can flourish and develop. The college resolves to treat every student as an individual, to recognize their potential and to assure that they receive the best planning and training for achieving their ambitions and life goals. We are aware of the inspiring qualities of education and realize that by improving the individual, the

society is benefitted. It is, our mission to be known as an institution that enlightens , the minds of its pupil. The idea is to ensure that our vision of the future is always conversant by our values. It is our sincere effort to make even the routine choices to indicate both our values and strategies.

Bandikui is situated near the capital city of Rajasthan Jaipur appx. 90 km from Jaipur in Dausa district, this is a famous Railway Station since British period The **SRP. GOVT COLLEGE, BANDIKUI** was established in 1977, as a Commerce College with only 40 students, affiliated to the, University of Rajasthan Jaipur . Since then, it has crossed many significant milestones in its journey towards excellence in higher education. In 1983 Arts faculty was also included. Science teaching was started in 2003-04 under Self-financing scheme. Post graduate programmes in Hindi and Political science also inducted in the same scheme whereas M.A. Political science was overtaken by the govt. in 2013-14.

The College is a symbol of quality. Thus, from 1977 this college is moving on to new heights. Alongside its rapid growth and development, the college retains a friendliness and warmth which has characterized the institution from its early days. With over 3000 students and more than 50 faculty and staff members, it offers Undergraduate programmes in Arts, Commerce & Science. This college aims to provide equal educational opportunities to the students from underprivileged families and is an initiative towards discharging social responsibility. The college increases community-consciousness on topics of social relevance like education, health, environment, rural development, female infanticide and female foeticide etc. through the efforts of talented students and staff of the college.

# INSTITUTIONAL DISTINCTIVENESS

## INSTITUTIONAL DISTINCTIVENESS

Different Aspects

### *Curricular Aspects*

SRP GOVT. COLLEGE BANDIKUI upholds the motto of (“**ME MAN SHIV SANKALPAMASTU**”) That is “I owe to the welfare of all.” in the realization of its vision of emancipation of the community through value-based holistic higher education. The college offers a plethora of courses - 3 UG and 2 PG programmes affiliated to University of Rajasthan Jaipur. The exposure of faculty in recent advances through participation in and organization of National/ International conferences, seminars, workshops, Refresher / Orientation courses and feedback from students, alumni and lectures of academic experts give the right impetus and direction for necessary changes in the curriculum.

### *Teaching-Learning and Evaluation*

Admission to the programmes is by a transparent, well-administered mechanism, complying with all the norms of the concerned regulatory/governing agencies including state and central governments. The institution ensures equity and wide access by following the policy of Merit and is well represented by students from different geographical area and socio-economic, cultural and educational backgrounds.

The college has adequate in-built mechanisms which are continually updated to achieve the goals of academic excellence. The college plans and organizes teaching, learning and evaluation schedules by strictly following the Directorate College Education/University Academic Calendar, by maintaining academic diaries of the academic events and co-curricular activities and preparing its annual blue print of the academic events and co-curricular activities.

Fully aware of the extent and significance of institutional accountability in the teaching learning and evaluation process, individualized teaching learning are conducted to cater to the broad spectrum of academic calibre of students admitted. Term tests are conducted to assess the academic needs of the students and slow learners and advanced learners identified through an analysis of the formative tests. Remedial classes are arranged to help the slow learners to adapt to the rigorous teaching learning process and to make credible academic progress.

The college maintains a student-centric and learner-centric atmosphere to achieve the desired learning outcomes. The teachers employ interactive and participatory approach creating a feeling of responsibility in learning and make learning a process of construction of knowledge. As an institution with around 40 years of service to the nation, the college has evolved an educational pattern with higher emphasis upon formative evaluation

### ***Research, Extension and Collaboration***

At present 2 PG departments are running in Political Science, Hindi. The college encourages its staff to take up research activities and engage in interdisciplinary and interdepartmental research activities. Some of our faculty members are approved research guides in different Departments of our institution in Political Science, Geography, Hindi, and Sanskrit. The college is under process to take recognition of Department of Political Science and Hindi as a research centre from University of Rajasthan.

First ever National Conference in the college on “Sahitya Sarjan Evam Prayavaran Sanrakshan” held on 12<sup>th</sup> -13<sup>th</sup> January 2016 of global magnitude and link them with local concerns. Eminent which is of national scientists, scholars, environmentalists and social activists shared the dais to deliberate on these issues of university importance. The college had the honour of playing host to the scholars from UP, Himachal Pradesh, Haryana & Delhi whose presence added an international dimension to the research activity.

The Mahavidyalay Vikas Samiti maintains the healthy relationship with all the stakeholders including Social bodies, NGOs and media to reach out to society.

The college has a wide range of Extension and outreach programmes (Educational, General and Specific) with special focus on the underprivileged and the vulnerable sections of society. The Extension Programmes namely NSS, NCC, YDC, Planning Forum, Scouts provide innumerable opportunities to students to reach out to society and people who are oppressed, powerless and disadvantaged. Campaigns are regularly held by the organizations like NCC, NSS, YDC, Scouts and all departments for mass sensitization on issues such as gender inclusion and environment.

To make the campus eco-friendly rain water harvesting, and plantation programmes are conducted. . Students opting for NSS and NCC get credits on completion of these programmes.

## ***Infrastructure and Learning Resources***

Infrastructure facilities are the key for effective and efficient conduct of the educational programmes. The Institution has 20 Rooms, 5 labs and a computer lab ICT enabled. The college ensures optimal utilization of budget allocated for the maintenance and upkeep of the college infrastructure by holding regular meetings of various bodies /committees constituted to plan and monitor the projects to be taken up in a session.

## ***ICT Facilities***

The NEP 2020 emphasizes the use of ICT in Higher Education. Our institute uses the latest technologies in daily routine work and in teaching - learning practices, competently. Previous visit of NAAC team pinned down the limited use of ICT as a weakness of the College. Since then, we have paid special attention to develop ICT and make it our distinctive institutional feature. The institute has its own recognition as ICT centre for CCE Rajasthan. institutional ICT approaches are catalogued below:

At present, the institute boast about a well-developed IT infrastructure that includes Wi-Fi campus, CCTV cameras, smart class, well-furnished E-class, Computer lab, , library, reading room, all the departments and IQAC, NCC, NSS, ISDC cells, internet connectivity. The AC cooled seminar hall of institute, having capacity of 100 persons, is well equipped with ICT Facilities such as e-podium, Computer, Mike system, Projector, Projector screen.

## ***Student Support and Progression***

The diverse programmes in academics and co-academics as well as in sports, cultural and scientific activities are well synchronized and reinforced with an effective support system to produce enlightened and self-reliant students as visualized in the vision and mission of the college. Student Grievance Redressal Cell effectively functions in the campus. The college celebrates different national and international days with full enthusiastic sprit and vibration and ensures the participation of students in extracurricular and co-curricular events.

The college promotes inclusive practices for social justice and better participation of Stakeholders. The SC / ST / OBC / SBC and economically needy students are provided equal opportunities by award of scholarships and stipends from social welfare department and UGC. Efforts were made to uplift them by organizing remedial classes.

The college atmosphere is enriched with curricular and co-curricular Activities. Events at the departmental level are designed to supplement quality teaching and personality development of students. College is encouraging student's participation in curricular and co-curricular activities alike. The Sport department and

faculty members encourage students to participate in state, national and international curricular and co-curricular programmes. Expert professional trainers help in the development of leadership skills and life skills in the students. The College has a very strong track record in NCC students have represented the state in Republic Day Parade at Raj path in Delhi president's awards in Rovers Rangers in scout and some students gained

## ***Governance and Leadership***

The college has a visionary and transformative leadership which has steered the college to its present iconic status. The college has firm belief that education is the pathway to self-improvement and self-realization and eventually the empowerment of society. The enlightened administration provides clear vision and mission of the institution which is in tune with the higher education policies of the nation and facilitates in building the organizational culture. At college level, regular meetings of Mahavidyalay Vikas Samiti, different cells, Heads of Departments offer a platform to present and discuss the perspective plans of the college and help in effective implementation of institutional policies.

Ever since its inception, the college has been blessed with an array of dynamic Principals, who have enhanced the quality of college's educational services and led to phenomenal growth and development of the college. The Principal works closely with administrative team comprising Vice Principal, Co- coordinator of UGC cell and Head of the Departments to offer effective leadership by setting values and participative decision-making process in co-ordinating the academic and administrative planning and implementation. The institution adopts quality management strategies in all academic and administrative aspects. The administration ensures professional development of the employees by sanctioning study leave in terms of TRF for research and to faculty and staff for training.

Sustenance of the organizational culture is done through constant Rejuvenation programmes. The faculty is recruited by the Rajasthan Public Service Commission. Professional competence of the staff is updated regularly. Mechanisms for regular performance appraisal of staff have been evolved to ensure academic

excellence. The college also make efforts to secure additional funds from various government agencies such as local bodies and elected representatives i.e. MLA and MP for development activities. The income and expenditure of the institution are subject to regular internal and external audit.

### ***Innovations and Best Practices***

1. SRP GOVT. COLLEGE BANDIKUI aims at providing quality education which encompasses moral and ethical values and assimilation of qualities which prompt a global vision. The college caters to the holistic development of the students under its care and thus follows a number of healthy practices.
2. A specimen of the college's deep seated reverence for its traditions is the organisation of two significant functions i.e. – Annual function & NSS Camps', students union inauguration function etc.
3. The Gandhian ideology of 'Sarv Dharam Sambhav' is promoted according equal veneration to all religions.
4. The college is highly conscious of its responsibility to the student community, the society, the nation and the environment. In order to fulfil social responsibility of the institution and to foster that spirit in students, a variety of community development programmes are conducted through Women Cell, NSS, NCC, YDC, Rover's Scout and Planning Forum, Human Rights Cell etc.
5. The conduct of the Eco club in the college campus, awareness programmes on Ozone Day, Earth Day, Water Day, Environment Day etc., instil in all a love of nature and a desire to conserve energy and water. Rainwater Harvesting System and restricting use of plastics, campus are some of the initiatives that motivate the students to protect the environment.
6. College with its vision of empowering women through the light of knowledge has been serving generations with its unique and innovative ways of teaching, learning and reaching out to the society. It illumines the hearts and minds of people in this part of the country and gives leadership in standing for a good cause. The young women educated in this campus go out with a purpose to contribute to the society by doing justice to their profession, building ideal

families and moulding a new generation with values. The quest for excellence which has been the priority of the founders is still leading the institution in its onward journey.

The SRP. GOVT. COLLEGE BANDIKUI realizes the importance of need based education, it believes in thinking globally and acting locally. It has understood the several dimensions and aspects of higher education. The college contains a mix of intelligent and average students admitted through online admission system and follows govt. rules to fulfil national motto of “EDUCATION FOR ALL”

### ***Strengths*** - .

1. Facilities of Arts, Commerce & science teaching .
2. Scholarships and financial aid available to meritorious , deserving students. .
3. Transparent evaluative and assessment system.
4. Highly qualified, experienced and motivated faculty .
5. Active placement cell and Youth Development Centre
6. Supportive environment for teaching and learning .
7. Focus on all-round development of students through extra and co-curricular activities , development of leadership quality .
8. All the classes are taught by the full-time faculty .
9. Strong bond and a high level of interaction between faculty and students .
10. Faculty development support.

### ***Weaknesses*** - .

1. Less emphasis is giving for job oriented and vocational courses.
2. Lack of fund raising culture and mechanisms
3. Controlled and somewhat rigid Procedures to introduce new age programmes at UG and PG level due to permission from authorities and affiliation with the University.

4. Science faculty is under SFS scheme where students pay more fee than govt run courses. Funds from UGC can also be not utilized in these labs.
5. Courses run under SFS scheme should be overtaken by the govt. so that problem of funds as well as experienced faculty may be solved.
6. As the college is Situated about 3 km from the town and there is no internal transport available for the college hence the attendance remains lesser than 90 %

## ***OPPORTUNITIES***

1. Fostering partnerships with other organizations getting research grants from funding agencies to support the research initiatives. .
2. Introducing more programmers with a better fit between academic value and societal
3. Attracting more donors, finance from MP, MLA's, fund, donation from business houses.
4. Borderless knowledge scenario in the wake of liberalization and use of ICT to reach out to the global pool of knowledge.

## ***CHALLENGES***

1. Limitation and constraint in government financial support.
2. To achieve academic excellence.
3. To motivate the faculty and staff to gear up its changing and progressive paradigms in Higher Education
4. Students Inclination towards vocational courses.
5. Checking migration of students to cities from towns for higher education
6. Most of the students come from rural and agricultural background so their attendance issue is a bigger challenge
7. Shortage of water resources is the biggest challenge for the greenery.

At the **SRP GOVT. COLLEGE, BANDIKUI** we remain dedicated to our mission of creating educated citizens by preserving our core values while seeking new strategies to meet the challenges of a dynamic educational and cultural point of view. The college is committed to provide academic excellence to all its pupil, this reflects our motto of “**ME MAN SHIV SANKALPAMASTU**”. That is “I owe to the welfare of all or “my heart always wish the global welfare”
