# 01 - Go to the URL <https://istart.rajasthan.gov.in/>

The screenshot shows the iStart Rajasthan website interface. The top navigation bar includes the iSTART logo and several menu items: Startups, School Startup, Rural Startup, Benefits, Incubators, Partners, Events, and Login. The 'School Startup' menu item is highlighted, and a dropdown menu is open, showing options: About, School Registration, Student Registration (highlighted), Teacher Registration, Student Innovation Challenge, and Resources. Below the navigation bar is a banner image of a school building with a sign that reads 'SCHOOL STARTUP'. The main content area features the heading 'School Startup Program' and a paragraph of text: 'School students have enormous potential, and iStart Rajasthan believes immensely in that potential and endeavors to tap it. Accelerating this effort to promote the spirit of entrepreneurship in students, Hon'ble Chief Minister, Rajasthan, has announced the launch of the iStart School Startup program in his budget speech for the financial year 2021-22. iStart has extended to include School Startup initiative with the aim to imbibe entrepreneurial mindset in the school students of Rajasthan and provide them a solid foundation in their journey as a future'. A URL bar at the bottom left shows the address: <https://istart.rajasthan.gov.in/school-startup/student-registration>.

# 02 – Creation of SSO Id through Gmail

The screenshot shows the Rajasthan Single Sign On registration page. The browser address bar displays 'sso.rajasthan.gov.in/register'. The page header includes the logo and text 'Rajasthan Single Sign On v23 One Digital Identity for all Applications' and language options 'English | हिन्दी'. The main content area is divided into 'Login' and 'Registration' sections. Under 'Registration', there are three buttons: 'Citizen', 'Udhyog', and 'Govt. Employee'. Below these is a blue bar with the text 'Please select an option for Registration' and a 'Click here for Demo' button. Further down, there are three registration options: 'Jan Aadhaar' (with a callout 'Only for Residents of Rajasthan State, India'), 'Bhamashah', and 'Google' (with a callout 'All Others (including above)'). On the left side, there are statistics for 'G2C/ G2B APPS' (158) and 'IDENTITIES' (246). The footer contains contact information and a disclaimer: 'Site designed, developed & hosted by Department of Information Technology & Communication, Government Of Rajasthan'. The Windows taskbar is visible at the bottom.
