Sir/Madam,

Government of Rajasthan has established an Eco-System for not only effective and transparent service delivery, but also to ensure exponential growth of IT Sector in the State. As a part of this process, Rajasthan would be organizing a two days "Rajasthan Digifest" on 19th and 20th August, 2022. The theme of this Digifest would be youth centric skilling and employment. During these two days, interaction between industry, entrepreneurs, academia, start-ups, government and youth would help in synergizing the effort and also provide enriching experience for all.

On this occasion, a variety of activities have been identified including e-Governance initiatives and achievements, Start-up activities, Quizathon, various other competitions and e-Governance Expo.

A copy of the Letter is being enclosed for information. For registration, participation and more details about the event, may please visit the website <https://digifest.rajasthan.gov.in/>.

Dated: 23/7/22

Respected Sir,

Government of Rajasthan has established an Eco-System for not only effective and transparent service delivery, but also to ensure exponential growth of IT Sector in the State. As a part of this process, Rajasthan would be organizing a two days "Rajasthan Digifest" on 19th and 20th August, 2022. The theme of this Digifest would be youth centric skilling and employment. During these two days, interaction between industry, entrepreneurs, academia, start-ups, government and youth would help in synergizing the effort and also provide enriching experience for all.

On this occasion, a variety of activities have been identified including e-Governance initiatives and achievements, Start-up activities, Quizathon, various other competitions and e-Governance Expo.

The following is the list of few events: (for colleges)

- i. **Online College IT Quiz** for college students on different topics – (Details as per Annexure-1)
- ii. **Paper Presentation** -- (Details as per Annexure-1)
- iii. **Digital Photography Competition** – (On the Venue)

It is therefore, requested that instructions may be given for the dissemination of information to all colleges for active participation of staff, teachers, and students and for display on the education portals to ensure maximum participation.

Yours sincerely

Warm Regards

(Ashish Gupta)

Subject: Rajasthan Digifest on 19th & 20th August 2022

Madam/Sir,

Government of Rajasthan has established an Eco-System for not only effective and transparent service delivery, but also to ensure exponential growth of IT Sector in the State. As a part of this process, Rajasthan would be organizing a two days "Rajasthan Digifest" on 19th and 20th August, 2022 at Rajasthan College, JLN Marg, Jaipur. The theme of this Digifest would be youth centric skilling and employment. During these two days, interaction between industry, entrepreneurs, academia, start-ups, government and youth would help in synergizing the effort and also provide enriching experience for all.

On this occasion, a variety of activities have been identified including e-Governance initiatives and achievements, Start-up activities, Quizathon, various other competitions and e-Governance Expo.

Please encourage the students of your institute/college to participate in the competition and to make this event a grand success. The list of the contests is attached as the annexure. For registration, participation and more details about the event, may please visit the website <https://digifest.rajasthan.gov.in/>.
