**Subject: Regarding-Connecting Educational Institutions of the State of Rajasthan
with Unnat Bharat Abhiyan (UBA) programme of MoE**

Dear Sir/Madam,

As you are aware that the Ministry of Education (MoE) erstwhile Ministry of Human Resources Development (MHRD), Government of India has launched **Unnat Bharat Abhiyan (UBA)**. Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.

For the better coordination and quick action under this mission, the National Coordinating Institution (NCI) IIT Delhi has identified some of the Regional Coordinating Institute (RCI). The RCI is primarily shouldering the responsibility of mentoring the institutions in their region.

We, Malviya National Institute of Technology Jaipur, Regional Coordinating Institute is identified on the basis of our earlier experience and infrastructural competence, for nearby 11 districts of Rajasthan (Ajmer, Alwar, Bharatpur, Bundi, Dausa, Dhaulpur, Jaipur, Karauli, Sawai Madhopur, Tonk, Sikar) under Unnat Bharat Abhiyan. The role of RCI is to facilitate, mentor and monitor the activities of the Participating Institutions (PIs) on a regular basis and to promote & facilitate UBA network in designated region of our state.

In view of the above, I request you to kindly ask to all institutes/ universities/ colleges of 11 districts of Rajasthan to connect with Unnat Bharat Abhiyan, to help building the architecture of an Inclusive India, being PI of UBA.

Thanks & Regards

Subject: Regarding-Connecting Educational Institutions of the State of Rajasthan with Unnat Bharat Abhiyan Program

I am happy to share that the Ministry of Education (MoE) erstwhile Ministry of Human Resources Development (MHRD), Government of India has launched the National Program Unnat Bharat Abhiyan (UBA), with the vision to involve Higher educational institutions in the development process of rural areas in the country to achieve sustainable development and better quality of life.

The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of Rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth as Participating Institutions (PI). It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of Rural India.

Indian Institute of Technology Delhi has been designated as the National Coordinating Institute by the Ministry of Education. It is also informed that MNIT Jaipur has been given to shoulder the responsibility as Regional Coordinating Institute for 11 districts of Rajasthan (Ajmer, Alwar, Bharatpur, Bundi, Dausa, Dhaulpur, Jaipur, Karauli, Sawai Madhopur, Tonk, Sikar) under Unnat Bharat Abhiyan Program. Role of RCI is to mentor the Participating Institution. Every Participating Institute (PI) is to adopt a cluster of five villages in consultation with the District Collector. The National Coordinating Institute provides reasonable financial support of Rs. 10,000/- per village per annum and proposal based financial support towards the development of adopted villages. All participating institutions in 11 districts of Rajasthan will be facilitated and mentored in their activities by MNIT Jaipur as the Regional Coordinating Institute.

For further details, the following UBA portal may be referred

<https://unnatbharatabhiyan.gov.in:8443/new-website/>

In view of above, you are requested to participate in Unnat Bharat Abhiyan Program as a Participating Institution (PI) and contribute towards the growth story of Rural Rajasthan. In case, if your University / Institute has already registered/ participating in the Unnat Bharat Abhiyan Program, the details of the villages adopted and the activities performed/ undertaken till as of now may be shared with us. All Universities / institution(s) are requested to register as early as possible preferably within a period of 1 (one) week. A Google form/Sheet to capture the data for UBA Program is being sent separately. You are requested to update data pertaining to your University/ Institute as early as possible.

Dr Namita Mittal, Department of Computer Science and Engineering, Malviya National Institute of Technology, Jaipur, Rajasthan is the RCI coordinator for UBA for the 11 districts of Rajasthan. All participating institutions in the 11 districts of Rajasthan will be facilitated and mentored in their activities by MNIT Jaipur as the Regional Coordinating Institute. In case of any clarification, details and guidance you may contact Dr. Namita Mittal. Her contact details are as under:
