Sub: Regarding the Constitution of IQAC .

Recognizing the importance of institutional internal quality system, the UGC has taken a policy decision to direct all colleges to establish Internal Quality Assurance Cell (IQAC). IQAC in fact, is conceived as a mechanism to build and ensure a quality culture at the institutional level. Every college should have an internal quality assurance system, with appropriate structure and processes, and with enough flexibility to meet the diverse needs of the stakeholders.

The establishment of the IQAC is the first step towards institutionalization and internalization of quality enhancement initiatives.

IQAC will be a facilitative and participative unit of the institution.  
The IQAC should be constituted in every institution under the chairmanship of the Head of the Institution as follows:

1. Chairperson: head of the institution
2. A few senior administrative officers
3. Three to eight teachers
4. One member from the management
5. One/two nominees from local society, students and alumni
6. One/two nominees from employers /industrialists/stakeholders
7. One of the senior teachers as the coordinator/director of the IQAC

All the colleges who do not have IQAC are required to constitute the same with immediate effect. The colleges which have already constituted IQAC should make sure to get it fully functional. Please find enclosed guidelines regarding IQAC for your convenience and ready reference.
