Reminder

F30(36)SPD/RUSA/NAAC/2018/231

Date: 01 July 2021

Principal,
All Govt. Colleges,
Rajasthan

Sub: Regarding updating the College Webpage and uploading of detailed Profile of all Faculty Members on the Webpage
Ref: SPD Letter no. 178 dated 05-04-2021

Dear Madam/ Sir,

With reference to the above subject matter and referred letter (enclosed), all the colleges were directed to complete and update the webpage available on www.hte.rajasthan.gov.in and also to attach detailed profile of each teacher with his/ her name. It has been observed that maximum colleges have not completed the work till date. As a result, neither the CCE nor NAAC is able to gather complete information about the college in terms of available infrastructure & facilities, courses offered, fees structure, sports facilities, teaching & non- teaching members, achievements of the College etc.

You are hence again directed to-

- Personally check the webpage of your college and ensure that all required information is complete and updated
- Ensure that complete updated list of teaching faculty members along with their subject and designation is available in a proper format under the "Faculty" menu available on the webpage.
- Instruct the faculty members to prepare their detailed profile and then get it attached with their name (by creating a hyperlink) in the list of teaching members. **Link for detailed profile of each and every teaching faculty member should be available on the College webpage latest by 15-07-2021.**

It is to be remembered that the contribution/ value addition by each faculty member for upliftment of the institute in terms of preparation for NAAC accreditation will now be reflected in the ACR of an individual.

Enclosure: a/a

(Dr. B.L. Sharma)

Sub: Regarding uploading of detailed Profile of all Faculty Members on the College Webpage

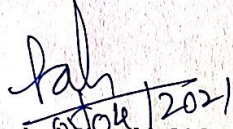

Madam/ Sir,

It has been observed that the information uploaded on the college webpage available on www.hte.rajasthan.gov.in is neither complete nor updated. Lack of complete updated information on the webpage often leads to undesirable results especially with reference to NAAC Accreditation. Detailed profile of any faculty member is also not available on the webpage due to which the credentials and achievements of the faculty members are not properly showcased. As a result, NAAC is not able to gather complete information about the college in terms of available infrastructure & facilities, courses offered, fees structure, sports facilities, teaching & non- teaching members, achievements of the College etc.

You are hence directed to-

- Personally check the webpage of your college and ensure that all required information is complete and updated
- Ensure that complete updated list of teaching faculty members along with their subject and designation is available in a proper format under the "Faculty" menu available on the webpage.
- **Instruct the faculty members to prepare their detailed profile and then get it attached with their name (by creating a hyperlink) in the list of teaching members. Link for detailed profile of each and every teaching faculty member should be available on the College webpage latest by 30-04-2021.**

It is to be remembered that the contribution of each and every member matters while preparing for accreditation by NAAC. To emphasize the above fact, the contribution/ value addition by each faculty member for upliftment of the institute in terms of preparation for NAAC accreditation will now be reflected in the ACR of an individual.
