**Subject: Induction of interns in the Young Interns Program (YIP) through campus interview mode.**

Sir/Madam,

It is brought to your kind notice that the Directorate of Economics and Statistics under the aegis of the Department of Statistics, Rajasthan has been running an internship program for young graduates and post graduates to provide an opportunity to the talented and progressive youth to upgrade their skills by gaining practical experience of working in the programs, schemes and projects of the government departments. Consequently, the government also benefitted with the youthful and courageous ideas & techniques of the young interns. Thus, the program is mutually beneficial for all stakeholders i.e. the young interns, Government Departments and the service delivery infrastructure of the state.

There are two modes of induction of the interns in YIP. One is through direct selection process of GD & PI by the departments and another is through the campus interview mode. As the first process has already been completed, now the state is in the process of campus interview mode. The interview mode is accomplished by holding interviews in the campuses of various institutes by a panel of following 3 members-

1. The representative of the incumbent department not below the rank of Joint Secretary.
2. The representative of the Statistics Department not below the rank of Joint Director.
3. The representative of the institute not below the rank of Associate Professor.

In the view of the above it is requested that please convey your consent for participating in this internship program by mapping your institute with the program on our portal [www.yip.rajasthan.gov.in](http://www.yip.rajasthan.gov.in).

We are anticipating a positive response from your esteemed institute.
