Subject: Request for Participation in Citizen Feedback Process for Swachh Bharat 2023 Competition

Sir/ Madam,

I hope this letter finds you in good health and high spirits. I am writing to you today to seek your valuable support and active participation in an essential initiative that will help our city achieve a higher rank in the Swachh Bharat 2023 Competition.

Swachh Bharat Abhiyan, launched by the Government of India, has been a transformative campaign that aims to make India clean and free from open defecation, litter, and unhygienic practices. As we all know, a clean and hygienic environment is crucial for the well-being of our citizens and the sustainable development of our city.

In the upcoming Swachh Bharat 2023 Competition, our municipal corporation is determined to secure a higher position by making significant improvements in various cleanliness parameters. One of the key factors that contribute to our success is the active participation and involvement of our citizens. Hence, we are reaching out to esteemed educational institutions like yours to encourage students, teachers, and parents to take part in the Citizen Feedback Process. This process involves providing valuable feedback on the cleanliness and sanitation conditions in and around our city.

The Citizen Feedback Process is relatively straightforward and can be completed through a dedicated online portal or via a mobile application. Participants will be asked to assess and rate various aspects related to cleanliness, waste management, public facilities, and overall hygiene in different areas of the city.

Your institute's participation will contribute significantly to our collective efforts in making our city a cleaner and healthier place to live. Moreover, we envision this as an opportunity for students to showcase their civic engagement and social responsibility, adding to their holistic development.

I sincerely hope that you will extend your support and enthusiasm to this cause, and together, we can bring about a positive change in the cleanliness and sanitation standards of our city.

Thank you for your time and consideration.

Office Incharge,
Swachh Bharat Mission,
Municipal Council, Pali
