

## **Report On Feedback**

**Session 2022-23**

During the session 2022-23, online feedback responses have been received from 645 UG students, 28 PG students, 27 teachers, 18 parents and 16 alumni.

- These responses generated the conclusion that most of the students are satisfied with the curriculum and other facilities provided in the college.
- Very few students are not satisfied with the co-operation from the teachers towards their students.
- Although college library is fully automatized but the students need to get text books not fulfilled due to vacant post of regular librarian.
