The Parents of the female students feel it safe to send their wards to a location four kilometres away from both sides Village Nimaj and Town Jaitaran. The chief reason behind their trust is the diligence that the College Administration takes pains to keep a strict vigil and discipline. It is noteworthy to state that this area has been lagging behind in the field of female education. We are proud that we are helping the Nation in enhancing the female education. Most of our best and disciplined students are females. They are not just ahead in academic matters but also in sharing social concerns. Our Kabbadi Team is Runner Up at the District level Kabbadi Match and Girls Badminton team are Winner at District level Badminton Tournament. Student Himmat Prakash is the Third rank in 400 meter Race. There have been no incidents of sexual harassment or eve teasing in or outside the campus. The boys and girls respect and co-operate each other. We want to preserve this wonderful environment while working for the overall development of the society. We want to give the best technocrats, athletes , bureaucrats,

educationists, and above all good citizens.
