Policy of the college for maintaining and utilizing physical academic, and support facilities like library, sports facility, library, sports facility, computers, classrooms is certainly based on maximum use of ICT based techniques and gadgets and updating the management and other systems so that a quality could be assured. On the other hand, a holistic approach is also viewed for a courteous and positive /environment in the college. In all, our system is an open system, where inputs of all the facilities are transformed to output system for the benefits of our students. The funds obtained from state government are mainly divided under various heads like Office expenditure, library, book bank, laboratory, repair and maintenance work and other expenses as per government order and rules. DDO and Accounts section of the college maintains and take care of all the financial matters of the college. College Development committee funds (for various fee depositions) and Boys Fund (PD Account) are two accounts apart from UGC Fund(PD account). PD account bills are passed through treasury while CDC and are direct transactions. However, we have various committees composed of senior and junior faculty members, like college maintenance committee, financial committee, college beautification committee, sport committee, laboratory maintenance committee, office management committee and other committees for various activities. These committees give their annual requirements or as per need/urgency, which are sanctioned after a careful observation by the principal and the finance committee, and purchasing of the item is done as per government rules. As per rule, direct purchasing for value under 10,000 Rs and by limited tenders under one lakh, and costlier items are

purchased by open tender system. Maintenance is also done by maintenance committee for general building and construction, laboratory maintenance is done by lab maintenance committee. For laboratory maintenance, requirements are given by respective departmental heads and met out via proper government procedures. Library has its budget for purchasing of text books and reference books. A separate book bank do exist in the college from which text books are issued to students as a loan, and books are returned before they take their final exams. Physical verifications of all the labs, library, NSS, NCC, Rover ranger, college store and sports store are done annually by forming various teams of faculty members and permanent and consumable items are verified physically. Unusable, broken and used items are destroyed by the order and checked for updating of their records while unusable hard wares are sold out by a proper government procedure of auction at local level.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

<p>Jalore is known as Granite City. But in terms of facility/Infrastructure Jalore has not grown that much as compared to other districts of state. With 18.29 lakhs population as per census 2011, and 952 sex ratio, Jalore has lowest literacy rate 54.86 by sex-census 2011 and lowest female literacy rate 38.47 in Rajasthan. Fluoride in water is a major problem here. Above all these challenges, our institute provides higher education with cheap education and reliable environment. College established in 1966. The college caters to the need of college education in this poor socio economic background, where most of the population consist of SC, ST, OBC and minority classes of the society. The institute has gained distinctiveness by attaining a reputation of being reliable, healthy, peaceful and secure centre for higher education. Since most of the youth belonging to local communities have rural and traditional background, along with weaker economic conditions, they seek easily accessible</p>

cheap and quality higher education in our college with the support of various scholarships by government like social justice and welfare department. The college provides ragging free and honest trustworthy student, teacher relationship with transparent management system and discipline administration. Female students do not face any gender discrimination, opportunities are equal for everyone and indiscipline is not at all tolerated. CCTV cameras are installed in campus. We have a rich library of about 40,000 books of different subjects. The green campus is plastic and tobacco free. Our institution works on holistic approach while inculcating humane values as far as teaching learning is concerned. The faculties of college are respected by the society also. Students are from traditional families with humble socio cultural values. The impact of college environment is clearly visible in student's personality when compared to his entry and passing out of the college. He is exposed to IT friendly and eco-friendly atmosphere, joins NCC / NSS / YDC and Rover and rangers etc. and opportunities to develop personality through participating in cultural and literary activities , games and sports and chosen what he likes amongst them. Learned faculty is always there to guide and supervise creative and talented, hardworking students. Thus main vision of our institute is providing an accessible and adaptable education without compromising academic standard. We also aim to change student's perspectives, Values and priorities and to transform positive energies to made life challenges, enabling students to deep learning and rational thinking.
