

M.B.R. GOVERNMENT COLLEGE, BALOTRA provides innovative educational opportunities and student support services that lead to the successful completion of degrees, career/technical education and basic skills proficiency. The college fosters personal and professional success through the development of critical thinking, effective communication, creativity, and cultural awareness in a safe, accessible and affordable learning community.

MISSION

M.B.R. GOVERNMENT COLLEGE, BALOTRA is a safe, friendly, accessible environment where all students may optimize their academic, career, and cultural development.

As M.B.R. GOVERNMENT COLLEGE, BALOTRA continues to advance as a dynamic center for life-long learning, we will:

- provide general, lower division coursework leading to an associate degree in the arts or commerce;
- offer technological services and support for students, faculty, and staff;
- deliver programs to improve general knowledge, logic, basic math, reading, communication, and skills;
- furnish support services for the intellectual and personal development of students, including opportunities to participate in campus governance;
- foster a comprehensive and enriching program of extracurricular activities;
- conduct community education programs that encourage learning at every stage of life;
- award occupational certificates and degrees for career preparation and advancement;
- administer customized training programs for business and industry;
- increase career development support for students, faculty, and staff through career exploration,
- counseling, job preparation, job opportunities, and academic and classified staff development;
- advance cultural and personal enrichment and promote competition opportunities for students.

VISION STATEMENT

M.B.R. GOVERNMENT COLLEGE, BALOTRA will provide excellent educational opportunities that are responsive to the needs of the community and help students meet

economic, social, and environmental challenges to become active participants in shaping the world of the future.

VALUES

1. Student Focus : Meeting student needs by creating an educational environment and culture so students can attain a variety of goals.
2. Excellence : Maintain a high standard of integrity and performance leading to the achievement of academic and professional goals.
3. Collaboration : Seeking input from all sectors of the college and the local industry.
4. Diversity : Fostering a learning community in which the values, goals, and learning styles of all students are recognized and supported.
5. Integrity : Behaving ethically in all interactions at all levels.
6. scholarships: To fulfill educational needs of all the weaker sections of society
7. Technological Advancement : Keeping pace with global technology trends and enhancing traditional instruction with technology to prepare students for success in the work place.
