

ACTION TAKEN REPORT (ATR)

On the basis of feed back forms received from academic, non-academic staff, students alumni and parents, suggestions are as follows

Solution :- The commissionearte of college education and local representative/MLA have been informed about these problems from time to time through correspondence.

1. Academic session 2018-19 - E-class, Library building with reading room, Canteen, post of academic and non- academic are vacant expansion of sports facilities, arrangement of E-mitra, lack of furnitures, labs, class rooms, college building, P.G. classes should be started in other subjects too, English subject should be at UG level

Solution :- E-mitra plus was installed by the state government on 26.09.2018. For other problems we informed to local representative/ MLA and commissionearte of college education.

2. Academic session 2019-20 - Digital Library, separate Library building with reading room, appointment to academic and non- academic post, arrangement of bus for transportation of girls from college to their respective homes , moral education should be studied as a subject at UG level skill development of students, requirement of class rooms, computer room, e-class and expansion of sports facilities.

Solution :- For other problems we informed to local MLA and commissionearte of college education. Kho-Kho ground is prepared, inflibnet was facilities is introduced for advance learners. Through Home Science the students get soft skill like the art of speaking listening good communication, students learn to prepare different kinds of food and garments showing their creativity.

3. Academic session 2020-21 - Security guard at college entrance point, Library reading room, Wi-Fi facilities, gym, NCC and Scout Guide unit should be opened at college level. Career counseling facilities, purchase of more text books, sports facilities, requirement of class room.

Solution :- Establishment of community book bank, Scout Guide unit is opened at college level in 2020-21, construction of toilets for girl students. Anandam- the joy of giving has been introduced in our college with a view to bring out the better part of our student to record in a dairy an act of goodness every day.

4. Academic session 2021-22 - requirements for New Library building with reading room, purchase of more text books, reference books, lab rooms, class rooms, E-class room, computer lab, gym, NCC unit, Canteen, educational tours, sports facilities.

Solution :- Under the Vidhya Sambal Yojana guest faculty has been appointed by the state government on vacant post, 15 toilets are constructed for girls students in the college. which are cleaned regularly, MLA LED fund was used to make basketball court and a walking track.
