Report of the Placement Cell

Placement Cell activities for 2017-2018 started early in August 2017 which comprises of the following.

- The placement preparation for the students starts off early in the second year for the undergraduates as the students have to mandatorily undergo a campus recruitment training (CRT course). This course comprises of quantitative aptitude, logical reasoning, verbal ability and soft skills training which ensure that the student is prepared for the 1st round of the placement process.
- Career counseling sessions (number of sessions are based on the student's requirement) are provided to students to help them identify their career path and also ensure that they are focused in the right direction with regards to their career based on their caliber, scores, interest areas and long term forecasting.
- Career guidance sessions by the industrial experts which include the senior manager and leaders from the corporate world. The topic covered by the industrial experts range from soft skills,
- There were campus ambassador programs which are encouraged by the placement cell, where the students get an opportunity to visit the company after the selection process is conducted by the company and also these students have various training programs conducted by the company. The campus ambassadors organize.

- various training programs for other students at college (excel, soft skill session, motivation talks etc) and also brand the company for which they are Selected for on campus, which gives an opportunity for the
- Students to understand the company's strategies and implement the same.
- Placement cell organized job description explanation sessions, resume writing, mock group discussion and mock interviews to enhance the confidence of the students to face the placement process of various companies.
- We also have provided internship to students who aspire to become entrepreneurs and also an opportunity to meet various managers to get a first hand understanding about the corporate world/Start-up.
- The Placement Cell supported the Companies in presenting their Pre-placement Talks and in conducting tests and interviews in the College Campus.
- We are very happy and pleased with the support we receive from the companies. The companies are interested in Industry-Institution interface. The placement officers also attend placement coordinators' meet convened by leading companies for the select few colleges. This meet provides a platform for all the stakeholders involved in student placements to interact and discuss methods of up scaling the preparedness of the students for the recruitment process.

We do get consistently good feedback on the excellent performance of our students by the companies.
