## Student Feedback Report

### Session 2019-2020

---

#### Student Feedback Report - Session 2019-2020

**Introduction:** The Internal Quality Assurance Cell (IQAC) of Government College, Suratgarh conducted a comprehensive feedback exercise during the examination process after the completion of academic work for the session 2019-2020. The primary objective of this exercise was to evaluate areas where the college authorities can enhance facilities for students. The feedback was obtained from regular students through a structured questionnaire consisting of 11 questions covering various aspects including teaching quality, infrastructure, co-curricular activities, and career aspirations.

#### Key Findings:

##### 1. Teaching and Syllabus Coverage:

- 92% of students believed that their syllabus is covered on time.
- 95% of students found teaching to be interesting.
- 96% expressed satisfaction with the qualifications and conduct of professors.

##### 2. Library Services:

- 93% of students reported satisfaction with library services.
- A minimal 0.1% expressed slight dissatisfaction.

##### 3. Scholarship and Other Facilities:

- Responses regarding scholarships, book bank, and other amenities were satisfactory.

##### 4. Infrastructure:

- 93% of students were highly satisfied with washroom conditions, classroom furniture, and overall cleanliness.

##### 5. Co-curricular and Extracurricular Activities:

- 92% of students perceived activities as high quality.
- 4% suggested scope for further improvement.
- A minor 2% expressed dissatisfaction.

##### 6. Career Counseling and Placement:

- Some students expressed dissatisfaction with career counseling and college placement services.

##### 7. Campus Environment:

- 100% of students perceived the campus as student-friendly and free from ragging.

#### Action Plan:

##### 1. Addressing Dissatisfaction with Career Services:

- Review and revamp the career counseling and placement services.

- Introduce workshops and seminars to enhance career guidance.

**2. Continuous Improvement in Co-curricular Activities:**

- Analyze feedback from the 4% of students suggesting improvements in activities.
- Implement new activities or modify existing ones based on student preferences.

**3. Enhancement of Library Services:**

- Investigate concerns raised by the 0.1% of dissatisfied students and address them promptly.
- Expand library resources and improve seating arrangements if necessary.

**4. Communication and Transparency:**

- Ensure transparent communication with students regarding improvements implemented based on their feedback.
- Encourage students to provide regular feedback for ongoing enhancement.

**5. Improving Teaching Methodologies:**

- Recognize and promote innovative teaching methodologies.
- Encourage faculty development programs to enhance teaching quality.

**6. Enhanced Campus Security:**

- Strengthen security measures to prevent unauthorized access and ensure student safety.
- Collaborate with local authorities to address security concerns effectively.

**7. Focus on Student Welfare:**

- Prioritize student welfare by addressing concerns related to infrastructure and facilities.
- Regular maintenance and upkeep of college premises to ensure a conducive learning environment.

**Conclusion:** The feedback obtained from students through the comprehensive survey conducted by IQAC has provided valuable insights into areas of strength and areas needing improvement. By addressing the concerns raised by students and building upon existing strengths, Government College, Suratgarh can continue to enhance the quality of education and student satisfaction. Continuous monitoring and feedback mechanisms will be established to track progress and ensure continuous improvement.

## Student Feedback Report

### Session 2020-2021

---

**Feedback Collection and Analysis:** The Internal Quality Assurance Cell (IQAC) of SSGC Government College, Suratgarh conducted a comprehensive feedback exercise for the session 2020-2021. The primary objective was to gather insights into students' experiences and expectations from the college. A questionnaire comprising 11 questions was devised to cover various aspects including teaching quality, infrastructure, co-curricular activities, and career aspirations.

#### Key Findings:

##### 1. Teaching and Syllabus Coverage:

- 80% of students affirmed that the syllabus is covered on time.
- 90% of students found the teaching methods interesting.
- 96% expressed satisfaction with the qualifications and conduct of professors.

##### 2. Library Services:

- 95% of students reported satisfaction with library services.
- A minimal 0.1% expressed slight dissatisfaction.

##### 3. Scholarship and Other Facilities:

- Responses regarding scholarships and other amenities were satisfactory.

##### 4. Infrastructure:

- 95% of students were highly satisfied with washroom conditions, classroom furniture, and overall cleanliness.

##### 5. Co-curricular and Extracurricular Activities:

- 93% of students perceived activities as high quality.
- Only 3% suggested scope for further enhancement.
- A minor 2% expressed dissatisfaction.

##### 6. Career Counseling and Placement:

- Some students expressed dissatisfaction with career counseling and college placement services.

##### 7. Campus Environment:

- 100% of students perceive the campus as student-friendly and free from ragging.

#### Action Plan:

##### 1. Addressing Dissatisfaction with Career Services:

- Intensify efforts in career counseling and strengthening placement services.
- Organize workshops and seminars to enhance students' employability skills.

## 2. **Continuous Improvement in Co-curricular Activities:**

- Gather specific feedback from the 3% of students suggesting improvements.
- Introduce new activities or modify existing ones based on student preferences.
- Encourage student involvement in planning and organizing events.

## 3. **Mitigate Library Dissatisfaction:**

- Investigate the concerns of the 0.1% dissatisfied students and address them promptly.
- Enhance library facilities or services where necessary.

## 4. **Communication and Transparency:**

- Ensure transparent communication with students regarding improvements implemented based on their feedback.
- Encourage students to provide regular feedback for ongoing enhancement.

## 5. **Further Enhancement of Teaching Methods:**

- Recognize and promote innovative teaching methodologies.
- Encourage faculty development programs to keep abreast of the latest pedagogical practices.

**Conclusion:** The feedback exercise conducted by IQAC provided valuable insights into areas of strength and areas needing improvement. By addressing the concerns raised by students and building upon existing strengths, SSGC Government College, Suratgarh can continue its journey towards excellence in education and student satisfaction.
