CLEAN CAMPUS, GREEN CAMPUS - POLICY

Objective:

- To create a serene environment.
- By keeping our campus neat and clean.
- By increasing the greenery in the campus.
- To instil the habit of cleanliness as a natural part of daily life.
- To spread awareness among everyone about the environment.

The Context:

As human being, we should understand that it is our moral duty to keep our surroundings clean and we should also have a sense of connection to the nature, And as a Higher Education Institute, we act as a pioneer to the society. That's why we emphasize on the practice, "Clean Campus, Green Campus". We develop this as a habit to be part of our routine. We keep our campus neat and clean. Every member of the institute understands their responsibilities regarding the practice.

By achieving the end, not only we create a serene environment but we as a Higher Education Institute try our best to fulfil our role in broad spectrum.

The Practice:

- Institute has a "Premises Maintenance and Beautification Committee".
- Proper Waste Management.
- Digitalization and use of alternative sources.
- E-library.
- More LED bulbs are being installed instead of CFLs.
- Student active participation in the practice.
- Organizing awareness Activities.
- Landscaping with trees and plants.

Each and every member of the Institute understands their responsibility regarding the practices, and they give their best.
