Department of Botany

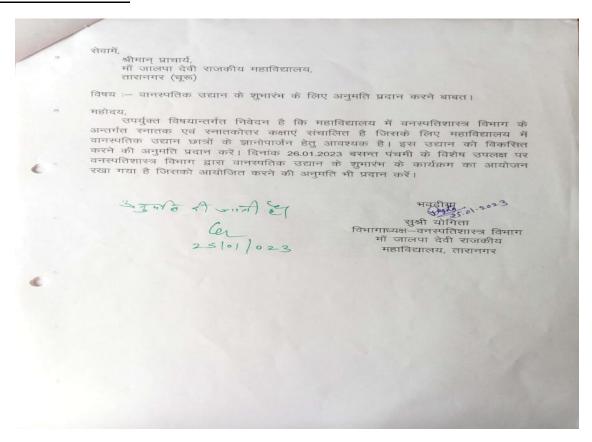

ESTABLISHMENT OF BOTANICAL GARDEN REPORT

- Name of Activity Establishment of Botanical Garden
- Number of participated students B.Sc. (Part I, II, III) and M.Sc (Pre.& Final)classes
- Number of teachers 04
- Organized date- 26/01/2023
- > Objective :-
 - Plant Conservation and study of local flora.
 - Collection of xerophytic medicinal plants .
 - Increase awareness between students for local plants .
 - Play a little role to environmental protection .

Permission / Essential Document-

> Essential Information:

> Photos :

➤ News:

> Achievments:

- It amplified knowledge about taxonomical study and research.
- It provides the basic information about local flora.
- Help to Create a mini ecosystem .
