A Brief Abstract of the Event

An educational tour was organized on 15 February 2023 for P.G. students to the **Central Institute for Research on Buffaloes (ICAR), Hisar** located in Hisar District of Haryana by the Department of Zoology, Maa Jalpa Devi Government College, Taranagar. Hisar is about 106 km. away from Taranagar. The tour was coordinated by Mr. Hans Raj Parihar, Head Department of Zoology. The students learned about the various aspects of breed production of buffaloes. They visited the animal house and learned about various type of laboratories used in research work. The scientist of the ICAR discuss on different types of buffalo species found in Asia. They also talk about the milk production and pregnancy test kit of buffaloes. This trip was actually very meaningful and knowledgeable for students.
