A Brief Abstract of the Event

NIPAM is an awareness mission that aims to give mindfulness and training on Intellectual Property Right (IPR). It aims to inculcate the innovation and spirit to creativity to student of higher education and inspire the students to innovate and protect their creativity. Under National Intellectual Property Awareness Mission (NIPAM), Ministry of Commerce & Industry Government of India has conducted National Workshop on Patent Filing in India. This event was conducted on 03 February 2023, in the Department of Zoology at MJD Government College, Taranagar. To prepare sustainable innovation models in every field, IPR is a very important thing. Patent Examiner from Delhi, Dr. Manoj Balan was present as our keynote speaker and they discussed about how we can file for patent or registration procedure, and other formalities about them. This event was aimed at the IPR awareness in our campus. Around 131 participants were participated from different departments of the college.
