A Brief Abstract of the Event

The Department of Zoology organized a webinar on “Career Opportunities in Entomology and Special talk on Locust Control” through online platform ZOOM App on 19th June 2020 from 5:00 PM to 6:00 PM. Dr. Aarti Prasad, Head of Department and Professor, Department of Zoology, MLSU, Udaipur Rajasthan was the keynote speaker in this webinar. Dr. Kamal Kumar Mishra, Principal, Maa Jalpa Devi Government College, Taranagar chaired the online session and delivered the welcome address. Head of the Department of Zoology, Mr. Hans Raj Parihar introduced the keynote speaker, Dr. Aarti Prasad.

Dr. Aarti Parsad has delivered a lecture on Career opportunity in Entomology & Special talk on locust control. They explain about the Importance of entomology in career opportunity such as in forensic science, in agriculture science, in drug department, etc. They explain that study of entomology also important for economic such as in Apiculture, Sericulture, Lac culture, etc. They specifically talk about on locust control also. They give us information about migration and life cycle of locust. Dr. Aarti explain that how the effect of corona period is favorable for locust population that they migrate in Rajasthan and cause damage of crops on large scale.

We received a very good response from the audience and also they gave very good feedback. Near about 81 members are participated in this webinar. The resource person thanked the organizers for arranging the live webinar. Dr. Kamal Kumar Mishra, Principal, Maa Jalpa Devi Government College, thanked the resource person, organizer committee, faculty members, participants and other officials for their active support for making the programmed to be successful. At the end of the program, the head of the department expressed his gratitude to the keynote speaker Prof. Aarti Prasad and all others.
