

## GOVERNMENT GIRLS COLLEGE, SADULSHAHAR

### Vision and Mission

The vision and mission of the college are projected more vividly in the form of its 'Logo' that encompasses 'Maa Saraswati the Goddess of knowledge' because of her creative power and her role as Vak, leading to her association with supreme reality thus the true knowledge. The Sanskrit motto "साविद्यायाविमुक्तये" (Sa VidyaYa Vimuktaye) that is, 'Education Liberates' is engraved below the emblem. To translate this picture into words, it could be said that, the education gained shall ultimately lead to liberation of the individual from the shackles of ignorance, inability, incompetence, and shall make him all-powerful to compete and survive in any kind of adverse situation.

#### OUR VISION

##### GIRL EDUCATION AND EMPOWERMENT

The vision of Government Girls College, Sadulshahar centers around its strong desire to impart inclusive quality education to girl population of this rural area of Rajasthan. As former prime minister Pandit Jawaharlal Nehru once said, "If you educate a man, you educate an individual, however, if you educate a woman, you educate a whole family. Women empowered means mother India empowered". The role of women in society is equally significant as men. Be it as mother, daughter, sister, or wife, she plays each role with affection and care. She can hold powerful positions in society such as a leader, an educator, an entrepreneur and much more. She has an infinite potential to reform society and the world. But most of the girls in this area belong to rural and underprivileged section of the society who lack familial support to pursue higher education and career. The vast majority of students are compelled to get married at an early age. There are not many job opportunities in and the men are basically into ancestral business. Besides many girls come from minority community where education is not considered to be an asset. To overcome this mind set the institution is committed to working in the field of Higher Education to empower the girl child.

## OUR MISSION

- To provide a wide and a relevant education to girls with a view of shaping their body and mind, thus enabling them to claim their rightful place in the modern society of challenges.
- Providing affordable quality education to girls coming from a wide cross section without any distinction of caste or creed.
- Imparting futuristic education and instilling high standards of discipline among its students.
- Fostering scientific and rational temperament among its students which will greatly benefit the whole human race.
- Encouraging the use of ICT in teaching learning process.
- Developing the overall personality of our girls and instilling the requisite confidence and sense of morality in them to face life.
- Laying holistic development of our girls personality by ensuring their participation in co- curricular and extra-curricular activities.
- Promoting innovation, creativity and spirit of research among our girls.
- Inculcating skills among our girls to enable them to comply with their counter parts in India and abroad.
- Making our girls employable in job market by conducting skill development programmes.
- Apart from imparting education, it endeavours to motivate the young generation girls to establish a social order based on dignity of labour as well as moral and spiritual values.
