Report of National Webinar on 'Environmental Conservation'

07th June, 2020

With the support and encouragement from Principal and IQAC co ordinator S. B. D. Government College, Sardarshahar , an online webinar was organized on the topic of “*Environment Conservation*” under the auspices of **IQAC, S. B. D. Government College, Sardarshahar** on **June 7, 2020**. This webinar was chaired by Dr. Laxminarayan Nagouri, Principal, S. B. D. Government College, Sardarshahar. The keynote speaker of this webinar was Dr. Shyamsundar Jyani, Associate Professor, Government Dungar College, Bikaner. Dr. Shyamsundar Jyani has been honoured with President’s award for his significant contribution to environment conservation.

The webinar was inaugurated by Dr. Laxminarayan Nagouri. He extended warm welcome to participants and introduced the keynote speaker **Dr. Shyamsundar Jyani**.

In the inaugural session, **Dr. Shyamsundar Jyani** told the problem of environment degradation is a burning problem in present time. He told about different reasons driving environment degradation and different remedies of its conservation.

The webinar concluded with vote of thanks from **Sohan Lal**, Associate Professor. He invoked youth to come forward and take measures for environment conservation and pass some legacy to next generations. He expressed gratitude to Dr. Shyamsundar Jyani for this talk. He thanked all the participants and faculty members for making this webinar successful. He also thanked technical team for their technical support.
