## Women Cell

Session 2017-18 to 2021-22

Presented By:

Dr. Veena

Coordinator

# Women Cell: Introduction

The aim of college women cell is to promote gender sensitization among the student community. It conducts various activities, trainings, workshops, guest lectures etc. to accelerate the academic enhancement, leadership development and cultural enrichment in female students.

# Vision & Mission:

## We are committed to

- Provide a platform for girls to perform their talent without any hesitation.
- Create an awareness in girls for their rights and duties.
- Sensitize girl students for educating society on social issues.
- Strengthen the lives of young women through academic enhancement and leadership development.
- Inspire and empower young women to strive for excellence.
- Highlight women's achievements in society.
- Create a new world of possibilities with freedom and equal opportunity.

# SWOC Analysis

## Strengths

- More than 55% students of our college are girls.
- Girls are sincere, hard working, enthusiastic and participate in various activities.
- Our female staff is also 20% of the total staff.
- There is a harmonious environment where girl students and female teaching staff get a platform of communication.

# SWOC Analysis

## Weaknesses

- Due to social boundations, it becomes difficult to prepare girls students for performance on stage.
- The percentage of girl dropout after UG course is high.

# SWOC Analysis

## Opportunities

- After getting acquainted with the ability of girl students, We make personal recommendations for them in various fields.
- Guest lectures enhance the development of entrepreneurialship.

# SWOC Analysis

## Challenges

- Funds for women entrepreneurs.
- Keeping in touch with students after completion of course.
