BOTANICAL GARDEN

Botanical Garden

The college has established its own botanical gardens. The aim for botanical gardens is to educate regarding collection, cultivation, conservation and display a wide range of plants labeled with their botanical names and its features. Plants (herbs, shrubs, trees, climbers) of different families have been planted. These plants are helpful for the students studying in our college. The botanical garden, herbarium and a number of trees and plants improves the quality of air thereby minimizing air pollution on the campus. College is dotted with Baniyan, Christmas Tree, Sadabahar, Jatropha Neem, Ashok, GulMohar, Bottle-brush, Babool, Alovera, Tulsi, giloy, Nerium , Pongemia , Pomegranate etc.
