None

-

Need Students study faculty development related seminar, workshop

पाठ्यक्रम में कुछ टॉपिक होने चाहिए जिससे विद्यार्थियों को प्रैक्टिकल नॉलेज हो।

curriculum should be job oriented

N A

Curriculum should be designed with multidisciplinary approach.

,

There should not be any other work for teachers other than teaching

Curriculum should be according to new ca, cs syllabus but the diploma of ca cs will after graduation course so the students take interest in b.com degree

None

According to the needs of Didwana, Post Graduation should be opened in Mathematics

नहीं

Good job

Student election should be stopped

Practical portion and research orientation should be increased.

In college we face lack of funds for lab and field study also for research so please provide separate funds and student projects for B. Sc. students. It will increase scientific aptitude in students and they will motivate for higher education as well as research.
