| | |
|---|---|
| | The Students teachers ratio should be equal |
| | NA |
| | Fully satisfied with above |
| | 1-Need for digital library in college . 2-Requirement of permanent computer operator in college. |
| | Number of staff members are insufficient. Due to which the work deligation is inappropriate. Infrastructure is not upto the mark, and what ever is their is not maintained effectively Actual number of students attending regular classes are very low. |
| | Digital library required for students |
| | There should be adequate faculty. Teachers should be kept free from clerical works so that they have proper time and energy for overall development of the students. The institutional facilities and infrastructure should be well equipped and improved. |
| | Try to Emplement honestly |
| | Need more teaching and non-teaching faculty, infrastructure and equipments for science |
| | Refrence book must be provide in every college in 3 copies. |
| | More and more of smart teaching methods should be implemented. |
| | कुछ विषय की पुनरावृत्ति हो रही है। सुंदर प्रयास |
| | Faculty posting timely and clerical staff sufficient in office Posting. All work is time bound decided in session. |
