

Welcome to Government Girls College, Kishangarh

As the principal of this esteemed institution, I am honored to lead a community dedicated to the pursuit of knowledge, excellence, and holistic development.

I at *GGC* Kishanagr, aim to ensure high quality education which could motivate and empower our students to be lifelong learners and be productive members of the society. Our education system at *GGC* strives to cater need of every student.

Our mission is to provide a platform for our girl students to get ample opportunities in order to utilize their potential to the fullest. Success for all of our students is ensured at our college by delivery of an enriching, student centered, balanced and structured curriculum. Teachers at *GGCK* are highly qualified, experienced and committed to support every girl's learning growth through quality instruction and guidance.

"Imagination is more important than knowledge" because knowledge is about what I already know, whereas imagination is what moves individuals and cultures forward. Imagination leads to innovation. Hence, *GGCK* focuses on developing innovative and creative mindset.

I give utmost priority to every student's safety within college premises.

Parents play a vital role in the education of their children. I at *GGCK* are eager to work with our parent community in helping their girl child shine. I want to tell our parent community that my door is always open to discuss any concerns, questions, or ideas you may have regarding your girl's education.

My commitment to our community is to lead the college with enthusiasm and passion to enable us to reach our goals. I look forward to welcoming you to be part of our vibrant learning community. I wish all the students a bright and successful career ahead.

"Let noble thoughts come to us from every side."

Prof. C.P. Pokharna.
Principal
