Government College Malpura (Tonk)

Student Feedback Analysis Report Session 2022-23

Student Feedback Report Session 2019-20 The Internal Quality Assurance Cell (IQAC) of Government College, Malpura (Tonk) conducted a feedback survey and collected data from the regular students of the institution to have an idea about the performance of the institution with regard to the satisfaction and expectation level of the students. A survey questionnaire consisting of questions covering wide range of issues- namely the teaching, co-curricular and extra-curricular activities, supportive infrastructure including, laboratories and library as well as career aspirations and expectation of students of students was framed and a random feedback survey, representing all the departments was conducted for the session 2022-23 in the month February 2023 after completion of academic and other activities and before the commencement of annual university examinations. The feedback response has been recorded as under.

1. The most heartening response of the students with regard to the performance of the institution is the curriculum and the teaching- learning process. In all the programmes of study, most of the students found the syllabus comprehensible, either easy general. Even the students mentioned that of the syllabus was completed on time. The choice of optional subjects by the students primarily depends on their interest in the subject of choice with a hope to perform well (54.28%). Others make the choice with an expectation to acquire skills to earn a living (22.85% opinions received).
2. Teaching and learning is an enjoyable experience through effective communication. Students surveyed and found their teachers to be effective communicators and most of the students have stated that the teachers are well-prepared for their classes. Apart from teaching skills, the teachers are always well-behaved and are strict if need be according to of the students. The students find their teachers unbiased and open-minded apart from being knowledgeable. The students have stated that the student and teacher relationship in the college is good; this indicating the effective teaching and learning process.

3. The students are satisfied with the health related facilities provided by the college. The students surveyed have opted for practical subjects; of the students believe that the laboratories are well-maintained while some of them believe that they are only partially maintained.
4. The students seem to be interested in participating in various co-curricular activities the students have confirmed their participation.
5. The students feel at par with students of other colleges or even better than others. They have stated that they will speak well about their institution and with pride.
6. The students believe that the college provides quality education to the students.
7. Some areas where the students feel the need for improvement is related to infrastructure and canteen facility.

The feedback report has been submitted to the college administration as necessary information and action to enable amelioration of problems faced by the students
