The members of the faculty may provide their valuable suggestions during the B.O.S. meetings regarding relevant changes in the syllabi. Such items should be included which will assist the students for the preparation of competitive exams. The curriculum needs to be made more employment and skill oriented for the benefit of the students. It needs to be uniform throughout the state.

Questions is good

The Alumni of the institution strongly agree in the updation of the syllables according to the relevant needs of the students. They are satisfied with the computer and internet facility on the library facilities. The institution strives hard for the betterment of the students' intellectual and other facilities.
