Following the recommendations outlined in our previous NAAC report, we are pleased to present the following action taken report, which details the progress made on implementing the suggested improvements, such as:-

S.NO	Previous NAAC Suggestion	Action taken
1	Women Empowerment	Various training programs are organized by the College. At present Rani Laxmi Bai center is opened in college.
2	Make use of vacant area for sports activities and boundaries of the campus	Converted unused area into sports facilities and ensured the safety of the campus with proper fencing.
3	Promote rain water harvesting and make the campus more eco-friendly by planting tree	Implement rain harvesting system and planted trees to ensure campus ecological foot print
4	Attract more funding from UGC and external sources	Minority and RUSA funding was received for the same which strengthened the infrastructure of the college.
5	Conduct seminars, workshops for students and teachers by inviting experts from outside.	Conducted Webinar and workshops for students and teachers by inviting experts from outside.
6	Encourage more ICT enabled teaching learning and organize communicative English classes.	Integrated ICT into teaching and learning, and offer communicative English classes to improve students' employability.
7	Research, Consultancy and extension activities to be encouraged.	Encouraged faculty to engage in research projects, consulting services, and community outreach activities. (Motivating the staff for further research area and development which resulted in lots of presentations in the college)

8	PG Courses and science courses may be started.	PG and science courses introduced.
9	College should offer 'Dual degrees' to students for employability	This is matter of concern at Commissionrate level

(Dr. Sulochna Meena)
