11 responses

Provisions for professional development are non-discriminatory and fair

11 responses

What had been your disappointments related to course curriculum, infrastructure, academic environment, teacher-student relation etc? Please specify.

8 responses

Okay

Separate Laboratories are not available in College. There are lack of class Rooms, Laboratories and administration is ineffective, so some more infrastructure and facilities are essentially required.

All good

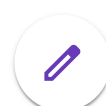

Infrastructure as Digital classroom; Mathematics computer laboratory;

There is no such disappointment regarding curriculum, academic environment and teacher - student relation.

All are proper

Syllabus of part-3 and part-3 are lengthy

.

Suggestions regarding curriculum or other suggestions

8 responses

Okay

In under graduate level the Syllabus is poor,it seems that is is below under level .MDS University Ajmer should modified the Syllabus as per need of NEP 2020-25.

No

The university should provide us training in practical courses.

Curriculum is updated recently and it will enable the students to prepare their base for higher levels of studies like NET and SET along with Other competitive exam in English language.

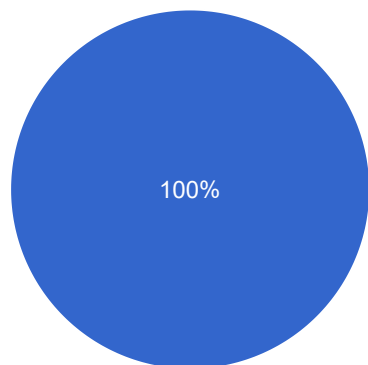

Suitable

Syllabus of chemistry should include nano and green chemistry topic

.
