

Management workshop for girl students

The Accounts and Business Statistics Department of Manikya Lal Verma College, under the joint aegis of Shivcharan Mathur College of Management, organized a management workshop for girl students in MLV College. In the inaugural session, Vice Principal Manisha Udawat Ma'am apprised about self-existent efficient management among women. Senior faculty member Dr. Santosh Anand sir talked about the importance of women in India who worship Goddess. Vice-Principal Chetna Sahal Ma'am called upon the students to come out of the world of Internet and take training in Management and Entrepreneurship. The management college teachers who came to the workshop taught the management skills with the example of eminent women entrepreneurs. The girl students received training from various videos along with the play of management. At the end of the program, the convener of the workshop, Dr. Sumeet Kachhara proposed vote of thanks to all. Around 50 students participate in the program. Glimpses of the program are as under:
