

Response:

Being a State Government College, SMM Govt. Girls College does not enjoy autonomy indirect governance as far as structure, system, and policy matters are concerned. But it has operational freedom in the implementation of available resources, be it physical or financial. The College takes direct initiative in the maintenance and upkeep of infrastructure and support facilities through the various committees constituted at the beginning of the academic session for effective planning and implementation. The college building and maintenance committee not only monitors the quality of maintenance of existing infrastructure, equipment but also proposes requirements. The State Government, CCE, and RUSA allocate a specific amount to Govt. Colleges for maintenance. The proposals for other requirements related to maintenance are submitted to the College Development Committee.

Laboratory: The In-charge of each department and respective in-charges of labs monitor the maintenance of the same. Supporting Staff and Lab Assistants help and support the faculty and students during practical lab sessions. Lab equipment is also strictly inspected by lab assistants before the commencement of practical classes and examinations. Funds procured from State/Central Governments, UGC, Lab fees, and RUSA are utilized for lab maintenance. Electrically sensitive equipment is provided with necessary backup to ensure steady functioning. In case of disruption in power supply, the diesel generator having a capacity of 62.5 KW functions as the substitute source.

Library: Library facilities are open to students from 10 am to 5 pm. Maintenance and utilization of library resources are done strictly following the library rules. The library is situated in a separate independent building which includes two reading halls, and one reference room.

Sports: There is a post of PTI but the post is lying vacant. Presently the college sports committee works like all other committees. It monitors the maintenance of playgrounds and sports events.

Computers: The computers in departments are maintained and looked after by respective departments. External agencies are called in case of any repair beyond the scope of the system administrator or In-charge.

Class Rooms: The classrooms are well maintained and looked after by supporting staff monitored by the office.
