

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institutional Strategy/perspective plan of SMM Govt. College, Bhilwara is well defined and structured. Our institution has a perspective plan for the overall development and effective implementation of its objectives. The college has identified a strategic plan in the following areas :

- Teaching and Learning
- Curriculum Development
- Admission of Students
- Library, ICT, and Physical Infrastructure / Instrumentation
- Research and Development
- Examination and Evaluation

The college has identified areas for the growth of the institution. These areas are the focus for planning and implementation which would lead to enhancement of infrastructure and facilities in the college. The college has sports facilities, a library, and laboratories infrastructure which have improved over the past years. The institution endeavors for the continuous enhancement of these facilities.

The institutional Strategic/ perspective plan

SMMGG College, BHIWARA

S.No.	Strategy Type	Details
1.	Teaching and Learning	Latest methods are being deployed with the use of ICT to help in the traditional methods of teaching and learning
2.	Curriculum Development	The college follows the syllabus which has been decided by the MDS University Ajmer. Many faculty members are also part of the BOS in the university where they participate in structuring the syllabus of various subjects.
3.	Admission of Students	On the directions given by government, as per the policy of Directorate of College Education, our college has also adopted the online procedure for admissions.
4.	Library, ICT and Physical Infrastructure / Instrumentation	The physical infrastructure in this girls college has improved over the recent years which has helped in the the holistic development of the students. Various laboratories in the subjects of Home Science, Chemistry, Physics, Botany,Zoology,Geography, Psychology and Music are sufficiently equipped.

5.	Research and Development	Four senior faculty members are acting as Research Supervisors in the MDS university and majority of college staff members are either planning or pursuing higher degree of PhD.
6.	Examination and Evaluation	The students of the institution are evaluated periodically with the help of term test organized internally in the college. The final evaluation is done with the help of annual examinations conducted by the MDS university with which this college is affiliated.
