

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

1.Name of the Institution

**S.M.M. GOVT. GIRLS COLLEGE
BHILWARA**

- Name of the Head of the institution **Dr .ANU KAPOOR**
- Designation **PRINCIPAL**
- Does the institution function from its own campus? **Yes**

- Phone no./Alternate phone no. **9829795296**
- Mobile no **9079903211**
- Registered e-mail **smmkanyacollege71@gmail.com**
- Alternate e-mail **smmkanyacollege@yahoo.co.in**
- Address **SINDHU NAGAR BHILWARA**
- City/Town **BHILWARA**
- State/UT **RAJASTHAN**
- Pin Code **311001**

2.Institutional status

- Affiliated /Constituent **AFFILIATED**
- Type of Institution **Women**
- Location **Urban**

- Financial Status **UGC 2f and 12(B)**
- Name of the Affiliating University **M.D.S.UNIVERSITY AJMER -RAJASTHAN**
- Name of the IQAC Coordinator **DR.MANISHA BATWAL**
- Phone No. **9079903211**
- Alternate phone No. **9829795296**
- Mobile **9414202333**
- IQAC e-mail address **smmkanyacollege@yahoo.co.in**
- Alternate Email address **smmkanyacollege71@gmail.com**

**3.Website address (Web link of the AQAR
(Previous Academic Year)**

https://hte.rajasthan.gov.in/dept/dce/maharshi_dayanand_saraswati_university_ajmer/s_m_m_govt._girls_college_bhilwara_rajasthan/uploads/doc/AQAR2020_21.pdf

4.Whether Academic Calendar prepared during the year?

Yes

- if yes, whether it is uploaded in the Institutional website Web link:

https://hte.rajasthan.gov.in/dept/dce/maharshi_dayanand_saraswati_university_ajmer/s_m_m_govt._girls_college_bhilwara_rajasthan/uploads/doc/Academic%20Calendar%2021-22.pdf

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	C+	64.00	2004	16/09/2004	15/09/2009
Cycle 2	B	2.46	2016	19/01/2016	18/01/2021

6.Date of Establishment of IQAC

30/07/2021

7.Provide the list of funds by Central / State Government

UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
SMM Govt Girls College	NIL	state government	2021-22	85731.95

8. Whether composition of IQAC as per latest NAAC guidelines **Yes**

- Upload latest notification of formation of IQAC [View File](#)

9. No. of IQAC meetings held during the year **02**

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**
- If No, please upload the minutes of the meeting(s) and Action Taken Report No File Uploaded

10. Whether IQAC received funding from any of the funding agency to support its activities during the year? **No**

- If yes, mention the amount

11. Significant contributions made by IQAC during the current year (maximum five bullets)

- 1 Upkeep of library and reading room facilities
- .2 Refurbishing Laboratory facilities.
- 3 Maintenance and upkeep of toilet facilities in campus
- .4 Maintenance of garden and open spaces .
5. Improvement in drinking water facilities

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
upkeep of library and reading room facilities	library cleaned and maintained
Maintenance of toilet facilities in campus	cleaned toilet facilities
Improvements in Laboratory infrastructure and facilities	laboratories improved and more facilities created
Regular upkeep of garden and open spaces	properly maintained

13. Whether the AQAR was placed before statutory body? **Yes**

- Name of the statutory body

Name	Date of meeting(s)
REGISTERED DEVELOPMENT COMMITTEE OF SMM GIRLS COLLEGE	16/11/2022

14. Whether institutional data submitted to AISHE

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

All students who enroll in the college are paid close attention so that students who are comparatively weak in academic learning are provided with special care and helped in improving their levels. The institution assesses the learning levels of the students and organizes special programmes for advanced learners and slow learners alongside the regular classes. During the covid times the students were encouraged to ask queries via the online mode on whatsapp groups, where the teachers responded aptly. Our institution is affiliated to MDS University Ajmer and the students are assessed during the annual examination conducted by the university. Our institution makes numerous efforts to assess the learning levels of students which start soon after the admission process and orientation program. Each class has its own mentor which starts the process of students learning levels, abilities and their interests as well. Feedback mechanism is properly followed in our institution which helps in categorization for advanced and slow learners. Apart from the

regular studies of the curriculum students are motivated to

enroll into any of the extension activities as NSS, Ranger Rover and the Women Cell.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

- Teaching learning environment: our institution provides atmosphere for nurturing values, thinking for making learning experimental and value for society.
- Various co-curricular and extra-curricular activities are offered to the students taking admission in the college to concentrate on participative learning. Activities as debates, quiz, essay writing, poetry, dance, poster competition are organized regularly on online and offline mode.
- Guest/Extension Lectures by Experts: To get updated, guest and extension lectures are organized for students taken by subject experts.
- Practical in Laboratories: The students are engaged in laboratories as per their batches where they learn from each other thereby achieving participatory learning.
- Case Studies: Case study has been made compulsory in PG

program of History from last session which is helping students in learning problem solving approaches.

- IT and Computer Skill Training: Students are motivated and trained to learn various IT skills so that they can use computers effectively to solve their problems. It provides opportunity to them in today's era to learn more and earn more.
- Laboratory facilities in all science subjects including Botany, Zoology, Chemistry, Physics and Computer are well equipped which help students for creative and experimental learning. Students have to visit these labs regularly as per their schedule and time table

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers use traditional chalk and board method alongwith

the technological methods for effective teaching-learning

process. The teachers acquired these latest methods in view of

the covid situations wherein the colleges were shut for the students. With adoption of e-learning atmosphere in the classroom, in addition to chalk and talk method of teaching, the faculty members are using the IT enabled learning tools such as PPT, video clippings , audio system, online sources, to expose the students to advanced knowledge and practical learning. Most of the faculty use interactive methods for teaching. The major emphasis is on classroom interaction in terms of research paper presentations, seminars, debates, group discussions, assignments, quiz, tests, viva and laboratory work.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

This college is affiliated to the MDS university, wherein the assessment of students is done through the annual examinations organised according to a prescribed schedule. The college becomes a centre for holding these exams which are held in a transparent manner and are robust in terms of frequency of occurrence and optional papers available. Students pursuing subjects which require practical exams to be conducted are instructed to prepare practical files of their experiments

conducted in the laboratories. All assessment of practicals are done through internal and external methods. All these exams help in assessing the extent of learning of the students.

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	https://hte.rajasthan.gov.in/college/ggcbhilwara/RESULTS

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

our institution enrolls more than thousand students and there is proper mechanism to deal with examination process. If the students are not satisfied with the results, university notifies related grievances where students can put their grievances in terms of rechecking and retotaling and this process is transparent. At the institution level, any representation regarding question paper, examination issues or evaluation is forwarded to the concerned university. Any unfair means case, if found, is strictly addressed by the examination code of conduct and due course of action is taken as per rules and regulations. The examination procedure is completely transparent and time table is displayed on the university website. The following are the other measures in this regard. Admit cards are generated online. Invigilation duties and attendance sheets are prepared by the college committee and staff assisting and responsible for

it, and conveyed to the staff online. Questions papers are kept in the strong room designated for the purpose in the college. Answer books are the coded. Answer books are evaluated in time.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Our college offers studies in 27 subjects at the UG level and 2 subjects at the PG level. Programme outcomes and course outcomes for all programmes offered by the institution are stated and displayed on website and communicated to teachers and students. Students who pursue various courses in the college are expected to attain the levels of understanding and learning after going through the duration of their respective degrees. The various aspects of the syllabi and their outcomes are discussed and deliberated at the college academic council, and the teachers are expected to make all efforts to raise the level of understanding to such levels. It is pertinent to mention here that these syllabi are finalised by the academic councils at the university level called the Board of Studies. All the colleges follow the syllabi and keep the students as well as the teachers

informed of the course and program outcomes. The teachers endeavour to enhance the levels of learning of the students and the role of mentors in the college is of special importance.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The attainment of the program and course outcomes is evaluated by the method of regular and periodic examinations conducted under the auspices of the MDS university, to which our college is affiliated to. The institution is located in one of the backward regions of Rajasthan. But the academic results of our students are one of the best, looking at the average results of past years. The syllabi and outcomes are designed in a manner to raise the level of understanding of the students and enhance their overall intelligence and personality. The outcomes are discussed, evaluated and deliberated at the college level by the teachers and students. A feedback is also procured from the students as well as the teachers. Annual exams become the standard for evaluating the level of attainment of students. The

alumni of the college helps in giving a feedback on the attainment and growth of students in their careers.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The SMM Government Girls College pursues various activities

wherein the students are involved to help the communities in the areas surrounding the college as well as in the areas around the city. Various activities are undertaken under the NSS as well as under other programs.

Anandam Program : this was a program initiated by the

Directorate of College Education, where the students were

enrolled and involved in group activities as well as individual

acts of helping people, or doing anything which would create joy

by giving or helping.

Cleanliness Drives : a number of cleanliness drives were undertaken by the students in the college campus as well as in surrounding areas these programs were conducted in view of the covid situations and the Swachh Bharat initiatives.

Yoga : This Girls College also organised a few camps and training sessions for students and other stakeholders for yoga and upkeep of physical and mental health.

Voter Awareness Drives : Prior to major elections, and in the middle of year too, many drives for better voter awareness were undertaken by the department of political science as well as under the guidance of district administration where the students were motivated to enroll as new voters, and also encourage the citizens to vote in the upcoming elections.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The institution possesses a number of classrooms with sufficient seating capacities ranging from 40 to 120 students. All classrooms are equipped with requisite paraphernalia for supporting teaching

and learning. Greenboards, whiteboards, with well ventilated rooms having large windows to let sufficient light and air create a perfect environment for academic pursuits.

The college has many departments , viz. Chemistry, Physics, Zoology, Botany, Home Science, Geography, Psychology, Drawing and Music, which have well equipped Laboratories and appropriate facilities. The college has nearly 24 computers that are used at various places to supplement the academic activities.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The college has a spacious stage located at the centre of the main building which has ample seating area to accommodate the college students. The cultural activities are supported by a number of musical instruments like tabla, harmonium, sitar and tanpura. Sound facilities are provided by mike and speakers.

The college has number of sports facilities which include a Badminton Court, Volleyball and Basketball courts. Many sports articles like racquets, shuttle cocks, balls, cricket gear, javelin, hammer, discus, shotput, etc are provided to the students. All students who go to higher levels of competitions to represent the are provided with sports gear and some allowances to support.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

To fulfill the academic need of students our institution offers good reading room where students are provided with adequate books, periodicals, encyclopedias, magazines, news papers etc. The college library has about thirty thousand books classified, indexed and in the process of digitalisation. Library is situated at back of the administrative block having adequate computer facility. College has added facility as Book Bank, reference books section, community book bank. Library is facilitated with WI-fi networking. College has e-resource facility for students and also provides research corner for Phd students. The students are issued library cards and books are issued on the basis of library cards. Undoubtedly the college library is a boon to students in the region as the college has maximum number of students from the rural background and poor economic status. For poor students community book bank plays an important role as books under this programme are given free of cost.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Response:

- The college is constantly extending and expanding its IT resources in terms of computers, Management Information Systems, Learning Management Systems, operating systems,

servers, etc.

- The augmentation and updating of IT facilities in the college are reflected in the following:
- There are two rooms with a smartboard and e-podium facility. These classrooms are used by all departments for teaching, seminars, and small workshops.
- The video conferencing room in the college is used for virtual meetings with the Commissionerate College Education and District Administration.

LMS:

- LCD projectors in various departments, Computers with LAN connections in every department,
- The bandwidth is 16MBPS. There are 13 CCTV cameras which have been installed in the Main building, and various corridors, and the main TV screen is placed in the Principal's Chamber for constant observation.
- The number of Computers in the College is 24.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Being a State Government College, SMM Govt. Girls College does not enjoy autonomy indirect governance as far as structure, system, and policy matters are concerned. But it has operational freedom in the implementation of available resources, be it physical or financial. The State Government, CCE, and RUSA allocate a specific amount to Govt. Colleges for maintenance.

Laboratory: The In-charge of each department and respective in-charges of labs monitor the maintenance of the same. Supporting Staff and Lab Assistants help and support the faculty and students during practical lab sessions. Lab equipment is also strictly inspected by lab assistants before the commencement of practical classes and examinations. Funds procured from State/Central Governments, UGC, Lab fees, and RUSA are utilized for lab

maintenance.

Library: Library facilities are open to students from 10 am to 5 pm. Maintenance and utilization of library resources are done strictly following the library rules.

Sports: There is a post of PTI but the post is lying vacant. Presently the college sports committee works like all other committees.

Computers: The computers in departments are maintained and looked after by respective departments..

Class Rooms: The classrooms are well maintained and looked after by supporting staff monitored by the office.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Our college students have active representation in academic programmes and different committees of the Institute. Students have strong representations in all cultural and sports and games committees and help in organization and management of events. Students provide strong support in the administration and management of college affairs. Organization of Special Events Students organize, and celebrate the National Teachers Day, on every year by honoring retired teachers and presenting cultural programme, celebrations on 26th Jan and other National celebrations that include, Independence Day, Republic Day, Engineers Day, Science Day and various NSS and social service activities. students representation is observable in various activities like NSS, NCC, Ranger & Rover etc . students are assigned and entrusted different roles and duties for different activities. The above activities enhance their communication skills, management skills, leadership skills, team-work, time management, resource management skills and builds confidence in each student.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

In the recent times the girls education is being given a push. The college aims to provide the girls with an opportunity of higher education at their door step. The college has following Vision:

- Our dedication to provide low-cost, student-centered education has been a driving force behind our expansion and progress as a renowned college in the region.
- We seek to be known as an institution where academics are paired with a comprehensive approach to quality education, and we aim to create a constructive learning environment and support high quality research in the focus areas of regional and societal relevance.

Our mission is:

- Equal opportunities for the growth of potential are to be provided.
- To inculcate moral and human values in impressionable young brains.
- Innovative approaches will be used to integrate skill development with in-depth knowledge.
- Through a positive teaching learning environment, develop integrity, discipline, determination, and confidence.
- To provide intellectual stimulation as well as the finest possible support for high-quality research.
- To develop self-sufficient, responsible people.

Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college is run by an administrative team of college faculty members led by the College Principal. The principal outlines various tasks to be accomplished by teams of teachers included in numerous committees formed for different objectives. The faculty members led by their respective committees in charge perform their assigned tasks. This methodology manifests participative management wherein all faculty members are involved in decision making at different levels. Students are given numerous opportunities and platforms for progress at various levels. The institution recognises the value of athletics, NSS, and skill development. Women's empowerment, yoga, and creativity, as well as a focus on research, are all priorities.

File Description	Documents

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institutional Strategy/perspective plan of SMM Govt. College, Bhilwara is well defined and structured. Our institution has a perspective plan for the overall development and effective implementation of its objectives. The college has identified a strategic plan in the following areas :

- Teaching and Learning
- Curriculum Development
- Admission of Students
- Library, ICT, and Physical Infrastructure / Instrumentation
- Research and Development
- Examination and Evaluation

The college has identified areas for the growth of the institution. These areas are the focus for planning and implementation which would lead to enhancement of infrastructure and facilities in the college. The college has sports facilities, a library, and laboratories infrastructure which have improved over the past years. The institution endeavors for the continuous enhancement of these facilities.

Strategic Plan and deployment documents on the website	View File
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Major rules and regulations governing our institution are those which have been prescribed by the Government of Rajasthan and according to the directions received from the directorate of college education, Jaipur, Rajasthan. Many committees are formed at the college level for efficient and effective management on the various aspects covering the whole administration of activities pertaining to the students as well as the staff. These committees include various teaching members and are headed by senior faculty members. These may be pertaining to RUSA, accounts, IQAC, admissions, student elections, and examinations. AAO is responsible for the accounts-related matters, whereas the PTI takes care of all the sports facilities and activities. There is a provision for a librarian who would take care of the functioning of the library. Books are purchased in the library on the recommendation of faculty members, and the digitalization of the library is in the offing. The teachers are posted in the college by the Government of Rajasthan and these teachers are selected by the RPSC by a rigorous process of selection and appointment. The promotion of all staff members are processed by the directorate of college education according to Government rules and UGC norms. Grievance redressal mechanisms have been created in the college by the creation of some committees. The college has committees pertaining to SC/ST, women's cell and minorities' cell as per the norms and directions of the state government.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

All government institutions in Rajasthan have effective welfare measures for teaching and non-teaching staff, and they are being implemented through GPF/ NPS and SI (State Insurance) programs. For medical establishments, Rajasthan's government has launched the Rajasthan Government Health Scheme (RGSH), under which each and every employee can receive health-related insurance Rs 5 lakhs for(indoor) and Rs 20000/-for outdoor patients.

Government-sponsored group insurance is another welfare program. The Rajasthan Pensioners Medical Fund benefits retired employees, and everyone is eligible for it. Apart from the standard Casual/Medical and Privilege leave, the employee is given Exceptional leave as COVID leave/ Quarantine leave. All the teaching and non-teaching faculty is eligible for gratuity and

pension. Female employees are entitled to 180 days of maternity leave twice during their employment, as well as 730 days of child care leave during the course of their employment (Certain conditions apply). Paternity leave is available to both teaching and nonteaching employees. Apart from these Academic leave is granted to Teaching faculty for conducting practical examinations and to attend conferences & seminars so that they can upgrade their knowledge. MDS University, Ajmer deducts 6% of the compensation of professors in the form of Teachers Welfare Fund from their remuneration during the evaluation process, and the benefits are passed on to the needy in the event of a crisis or mishappenings taking place.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The performance of all employees in the institution is reviewed annually by the institution's head and finally by the competent authority at the commissioner level. An annual confidential report (ACR) is submitted by all the employees, including both the

teaching faculty members as well as the non-teaching college staff. The performance appraisal report contains information about their accomplishments and various significant tasks done in the duration of the appraisal period. The reviewing officer which is the Principal of the college assesses various reports of the employees which include the overall conduct, output of work, leadership qualities, analytical ability, management abilities, decision-making ability, and ability to take initiatives. For the teaching faculty, additional information regarding their academic accomplishments is also evaluated.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The principal of the college acts as the DDO in Government Colleges in Rajasthan. AAO handles the accounts section and his office maintain all the accounts books and follow the procedures laid down by the government. The college receives funds from various sources as follows:

- State Government - All government colleges are allocated money out of government funds under various heads. Committees of the college put forth their demand for expenditures which is granted by the principal and funds are utilized according to regulations of the state government.
- Scholarships - Various scholarships are granted to the students through online mode.
- RUSA - funds are maintained separately and the rules prescribed by the government have been adhered to.
- Vikas Samiti - This is a College Development Council that is registered and separate accounts are maintained for the funds available under this head.
- MP/MLA Fund - These funds are made available by the local MLA or MP for specific purposes and the college utilizes them and gets them duly audited.
- Alumni Association - The association of previous students of the college, which is also a registered body, may also contribute to the college in form of cash or kind.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

There has been a significant contribution by the IQAC for institutionalizing the quality assurance strategies and processes. The IQAC was set up by the college according to the norms and guidelines of NAAC. The following measures are taken in the institution for quality enhancement. 1. Teaching Learning The IQAC ensures that all the resources of the college are used in an objective manner for the quality enhancement of students and the college as a whole. The IQAC also ensures that the students are engaged in the decision making of the college and there is a participatory approach for involving them in decisions pertaining to cultural and cocurricular activities.

2. Research The IQAC of the SMM Girls College Bhilwara encourages the faculty members for enhancing their educational and academic values. The staff members are motivated to enroll for Ph.D. programs. The departments are encouraged to organize webinars and seminars also.

- IPR Webinar: IQAC organised a National Level E-workshop on "Intellectual property rights" held on 2 Feb 2022 under NIPAM (National IP Awareness mission). 700 participants from all over India attended the webinar and participated in the interactive sessions..
- IQAC Lecture: IQAC has organised an Offline lecture on "Career Opportunities in commerce" on 7th Dec 2021 with Department of Commerce. 130 Students and Faculty members were benefitted

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC has made continuous efforts for the improvement and extension of the resources in the college. The incremental improvements in facilities are visible both in infrastructure and the quality of facilities. The college is expanding and extending

its resources in terms of new construction and renovation of existing facilities. The ICT resources, library, sports, and laboratory resources have witnessed continuous improvement and extension. Water harvesting, the creation of eclassroom, and proper disposal of chemical waste from laboratories have been the focus of recent times.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

S. M. M. Govt. Girls College knows and understands its responsibilities for environment protection and role for waste management . The college has solid waste management and hazardous

chemicals waste management system. Solid waste bins are placed at different places in college campus like corridor, common room, Labs and classrooms. Chemistry lab has a fume hood. Fume hoods are designed specifically to provide ventilation for the protection of lab occupants during chemical reactions. Old newspapers, old files, old home assignments etc. are given for recycling to external agencies. Collected solid waste is handed over to the municipal council for further processing. Unit of NSS constantly organizes cleanliness programmes in which students and faculty members constantly monitor the activity.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The college takes a number of actions to reduce its energy usage. Replace inefficient tube lights and bulbs for example LED bulbs. A committee that is responsible for keeping an eye on the hostel's

energy use can successfully reduce it by educating the residents about the importance of energy conservation.

Ecofriendly Campus:

? Use of renewable energy.

? Provision for rain water harvesting in the main building of the college

Clean Campus/Green Campus: The college's NSS routinely host tree-planting drives.

A campus herbal garden maintained by the botany department or college.

Regular campus cleaning by NSS, Volunteers, Staff, & Teachers. Peepal, Kadamba, and Batvrsaksha plantations as part of the green campus. These trees give out more oxygen and have wide-spreading foliage. They also help deep and sustained ground water percolation.

The college fosters an energy-saving attitude with in and between students and staff through various programmes, discussions, and campaigns. RUSA runs various programmes, discussions, and campaigns to create an energy-conserving mentality among the students. A power quiz across departments can be held by the college for the students

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

We have a long history of dedication to the preservation of

biodiversity. Numerous measures have been made to create a healthy and pollution-free environment on campus in order to continue our effort to improve the environment and maintain our ecosystem.

An attractive flock of parrots has populated the campus as a result of the ongoing effort to feed the birds (dana). A common sight in the area that enthralls everyone is a peacock strolling with its magnificent plumage, a prince priding himself in his glittering armour, or a peacock basking in the settling rays of the Sun.

A sizable well with a diameter of 8 feet will help with our ongoing efforts to increase biodiversity. In order to help birds survive the sweltering summer heat, numerous earthen bird feeders are also positioned in suitable locations.

Students were encouraged to keep their surroundings clean by starting a cleanliness drive that extended from the college grounds to their homes and the community at large.

lectures on good health and hygiene as well as inspiration for fighting the pandemic. During the 21-22 academic session, a Covid-19 awareness campaign was launched in the neighbourhood, and a vaccination clinic was set up for students who had turned 18 on campus.

The effort to increase the campus's green space and persistently work to maintain the life of the plants and trees

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum is decided at the university level. The college follows the syllabus and the students are divided into different sections. Teachers are allocated workload according to UGC rules and in such a manner that the prescribed syllabus is covered in the within a stipulated time, well before the beginning of examinations. Time table and year planner are made use of.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

All students who enroll in the college are paid close attention so that students who are comparatively weak in academic learning are provided with special care and helped in improving their levels. The institution assesses the learning levels of the students and organizes special programmes for advanced learners and slow learners alongside the regular classes. During the covid times the students were encouraged to ask queries via the online mode on whatsapp groups, where the teachers responded aptly. Our institution is affiliated to MDS University Ajmer and the students are assessed during the annual examination conducted by the university. Our institution makes numerous efforts to assess the learning levels of students which start soon after the admission process and orientation program. Each class has its own mentor which starts the process of students learning levels, abilities and their interests as well. Feedback mechanism is properly followed in our institution which helps in categorization for advanced and slow learners. Apart from the

regular studies of the curriculum students are motivated to

enroll into any of the extension activities as NSS, Ranger Rover and the Women Cell.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

- Teaching learning environment: our institution provides atmosphere for nurturing values, thinking for making learning experimental and value for society.
- Various co-curricular and extra-curricular activities are offered to the students taking admission in the college to concentrate on participative learning. Activities as debates, quiz, essay writing, poetry, dance, poster competition are organized regularly on online and offline mode.
- Guest/Extension Lectures by Experts: To get updated, guest and extension lectures are organized for students taken by subject experts.
- Practical in Laboratories: The students are engaged in laboratories as per their batches where they learn from each other thereby achieving participatory learning.
- Case Studies: Case study has been made compulsory in PG program of History from last session which is helping students in learning problem solving approaches.

- IT and Computer Skill Training: Students are motivated and trained to learn various IT skills so that they can use computers effectively to solve their problems. It provides opportunity to them in today's era to learn more and earn more.
- Laboratory facilities in all science subjects including Botany, Zoology, Chemistry, Physics and Computer are well equipped which help students for creative and experimental learning. Students have to visit these labs regularly as per their schedule and time table

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers use traditional chalk and board method alongwith the technological methods for effective teaching-learning process. The teachers aquired these latest methods in view of the covid situations wherein the colleges were shut for the students. With adoption of e-learning atmosphere in the classroom, in addition to chalk and talk method of teaching, the faculty members are using the IT enabled learning tools such as PPT, video clippings , audio system, online sources, to expose the students toadvanced knowledge and practical learning. Most of the faculty use interactive methods for teaching. The major emphasis is on classroom interaction in terms of research paper presentations, seminars, debates, group discussions,assignments, quiz, tests, viva and laboratory work.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

This college is affiliated to the MDS university, wherein the assessment of students is done through the annual examinations organised according to a prescribed schedule. The college becomes a centre for holding these exams which are held in a transparent manner and are robust in terms of frequency of occurrence and optional papers available. Students pursuing subjects which require practical exams to be conducted are instructed to prepare practical files of their experiments

conducted in the laboratories. All assessment of practicals are done through internal and external methods. All these exams help in assessing the extent of learning of the students.

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	https://hte.rajasthan.gov.in/college/ggcb_hilwara/RESULTS

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

our institution enrolls more than thousand students and there is proper mechanism to deal with examination process. If the students are not satisfied with the results, university notifies related grievances where students can put their grievances in terms of rechecking and retotaling and this process is transparent. At the institution level, any representation regarding question paper, examination issues or evaluation is forwarded to the concerned university. Any unfair means case, if found, is strictly addressed by the examination code of conduct and due course of action is taken as per rules and regulations. The examination procedure is completely transparent and time table is displayed on the university website. The following are the other measures in this regard. Admit cards are generated online. Invigilation duties and attendance sheets are prepared

by the college committee and staff assisting and responsible for it, and conveyed to the staff online. Questions papers are kept in the strong room designated for the purpose in the college. Answer books are the coded. Answer books are evaluated in time.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Our college offers studies in 27 subjects at the UG level and 2 subjects at the PG level. Programme outcomes and course outcomes for all programmes offered by the institution are stated and displayed on website and communicated to teachers and students. Students who pursue various courses in the college are expected to attain the levels of understanding and learning after going through the duration of their respective degrees. The various aspects of the syllabi and their outcomes are discussed and deliberated at the college academic council, and the teachers are expected to make all efforts to raise the level of understanding to such levels. It is pertinent to mention here

that these syllabi are finalised by the academic councils at the university level called the Board of Studies. All the colleges follow the syllabi and keep the students as well as the teachers informed of the course and program outcomes. The teachers endeavour to enhance the levels of learning of the students and the role of mentors in the college is of special importance.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The attainment of the program and course outcomes is evaluated by the method of regular and periodic examinations conducted under the auspices of the MDS university, to which our college is affiliated to. The institution is located in one of the backward regions of Rajasthan. But the academic results of our students are one of the best, looking at the average results of past years. The syllabi and outcomes are designed in a manner

to raise the level of understanding of the students and enhance their overall intelligence and personality. The outcomes are discussed, evaluated and deliberated at the college level by the teachers and students. A feedback is also procured from the students as well as the teachers. Annual exams become the standard for evaluating the level of attainment of students. The alumni of the college helps in giving a feedback on the attainment and growth of students in their careers.

3.2 - Innovation Ecosystem**3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge**

The college has postgraduate studies in two departments, viz Philosophy and Sanskrit, and all other subjects are taught at the undergraduate level. Research work is conducted by staff members at their individual levels and the faculty members also write articles and attend seminars and workshops to enhance their knowledge and contribute in their respective subjects. The

faculty members discuss and transfer the knowledge attained by them with the students, thus enhancing the level of understanding of the students and introducing them to new idea.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The SMM Government Girls College pursues various activities wherein the students are involved to help the communities in the areas surrounding the college as well as in the areas around the city. Various activities are undertaken under the NSS as well as under other programs.

Anandam Program : this was a program initiated by the Directorate of College Education, where the students were enrolled and involved in group activities as well as individual acts of helping people, or doing anything which would create joy by giving or helping.

Cleanliness Drives : a number of cleanliness drives were undertaken by the students in the college campus as well as in surrounding areas these programs were conducted in view of the covid situations and the Swachh Bharat initiatives.

Yoga : This Girls College also organised a few camps and training sessions for students and other stakeholders for yoga and upkeep of physical and mental health.

Voter Awareness Drives : Prior to major elections, and in the middle of year too, many drives for better voter awareness were undertaken by the department of political science as well as under the guidance of district administration where the

students

were motivated to enroll as new voters, and also encourage the citizens to vote in the upcoming elections.

INFRASTRUCTURE AND LEARNING RESOURCES**4.1 - Physical Facilities**

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The institution possesses a number of classrooms with sufficient seating capacities ranging from 40 to 120 students. All classrooms are equipped with requisite paraphernalia for supporting teaching and learning. Greenboards, whiteboards, with well ventilated rooms having large windows to let sufficient light and air create a perfect environment for academic pursuits.

The college has many departments , viz. Chemistry, Physics, Zoology, Botany, Home Science, Geography, Psychology, Drawing and Music, which have well equipped Laboratories and appropriate facilities. The college has nearly 24 computers that are used at various places to supplement the academic activities.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The college has a spacious stage located at the centre of the main building which has ample seating area to accommodate the college students. The cultural activities are supported by a number of musical instruments like tabla, harmonium, sitar and tanpura. Sound facilities are provided by mike and speakers.

The college has number of sports facilities which include a Badminton Court, Volleyball and Basketball courts. Many sports articles like racquets, shuttle cocks, balls, cricket gear, javelin, hammer, discus, shotput, etc are provided to the students. All students who go to higher levels of competitions to represent the are provided with sports gear and some allowances to support.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

To fulfill the academic need of students our institution offers good reading room where students are provided with adequate books, periodicals, encyclopedias, magazines, news papers etc. The college library has about thirty thousand books classified, indexed and in the process of digitalisation. Library is situated at back of the administrative block having adequate computer facility. College has added facility as Book Bank, reference books section, community book bank. Library is facilitated with WI-fi networking. College has e-resource facility for students and also provides research corner for Phd

students. The students are issued library cards and books are issued on the basis of library cards. Undoubtedly the college library is a boon to students in the region as the college has maximum number of students from the rural back ground and poor economic status. For poor students community book back plays a important role as books under this programme are given free of cost.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Response:

- The college is constantly extending and expanding its IT resources in terms of computers, Management Information Systems, Learning Management Systems, operating systems, servers, etc.
- The augmentation and updating of IT facilities in the college are reflected in the following:
- There are two rooms with a smartboard and e-podium facility. These classrooms are used by all departments for teaching, seminars, and small workshops.
- The video conferencing room in the college is used for virtual meetings with the Commissionerate College Education and District Administration.

LMS:

- LCD projectors in various departments, Computers with LAN connections in every department,
- The bandwidth is 16MBPS. There are 13 CCTV cameras which have been installed in the Main building, and various

corridors, and the main TV screen is placed in the Principal's Chamber for constant observation.

- The number of Computers in the College is 24.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Being a State Government College, SMM Govt. Girls College does not enjoy autonomy indirect governance as far as structure, system, and policy matters are concerned. But it has operational freedom in the implementation of available resources, be it physical or financial. The State Government, CCE, and RUSA allocate a specific amount to Govt. Colleges for maintenance.

Laboratory: The In-charge of each department and respective in-charges of labs monitor the maintenance of the same. Supporting Staff and Lab Assistants help and support the faculty and students during practical lab sessions. Lab equipment is also strictly inspected by lab assistants before the commencement of practical classes and examinations. Funds procured from State/Central Governments, UGC, Lab fees, and RUSA are utilized for lab maintenance.

Library: Library facilities are open to students from 10 am to 5 pm. Maintenance and utilization of library resources are done strictly following the library rules.

Sports: There is a post of PTI but the post is lying vacant. Presently the college sports committee works like all other committees.

Computers: The computers in departments are maintained and looked after by respective departments..

Class Rooms: The classrooms are well maintained and looked

after by supporting staff monitored by the office.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Our college students have active representation in academic programmes and different committees of the Institute. Students have strong representations in all cultural and sports and games committees and help in organization and management of events. Students provide strong support in the administration and management of college affairs. Organization of Special Events Students organize, and celebrate the National Teachers Day, on every year by honoring retired teachers and presenting cultural programme, celebrations on 26th Jan and other National celebrations that include, Independence Day, Republic Day, Engineers Day, Science Day and various NSS and social service activities. students representation is observable in various activities like NSS, NCC, Ranger & Rover etc . students are assigned and entrusted different roles and duties for different activities. The above activities enhance their communication skills, management skills, leadership skills, team-work, time management, resource management skills and builds confidence in each student.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

In the recent times the girls education is being given a push. The college aims to provide the girls with an opportunity of

higher education at their door step. The college has following Vision:

- Our dedication to provide low-cost, student-centered education has been a driving force behind our expansion and progress as a renowned college in the region.
- We seek to be known as an institution where academics are paired with a comprehensive approach to quality education, and we aim to create a constructive learning environment and support high quality research in the focus areas of regional and societal relevance.

Our mission is:

- Equal opportunities for the growth of potential are to be provided.
- To inculcate moral and human values in impressionable young brains.
- Innovative approaches will be used to integrate skill development with in-depth knowledge.
- Through a positive teaching learning environment, develop integrity, discipline, determination, and confidence.
- To provide intellectual stimulation as well as the finest possible support for high-quality research.
- To develop self-sufficient, responsible people.

Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college is run by an administrative team of college faculty members led by the College Principal. The principal outlines various tasks to be accomplished by teams of teachers included in numerous committees formed for different objectives. The faculty members led by their respective committees in charge perform their assigned tasks. This methodology manifests participative management wherein all faculty members are involved in decision making at different levels. Students are given numerous opportunities and platforms for progress at

various levels. The institution recognises the value of athletics, NSS, and skill development. women's empowerment, yoga, and creativity, as well as a focus on research, are all priorities.

File Description	Documents

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institutional Strategy/perspective plan of SMM Govt. College, Bhilwara is well defined and structured. Our institution has a perspective plan for the overall development and effective implementation of its objectives. The college has identified a strategic plan in the following areas :

- Teaching and Learning
- Curriculum Development
- Admission of Students
- Library, ICT, and Physical Infrastructure / Instrumentation
- Research and Development
- Examination and Evaluation

The college has identified areas for the growth of the institution. These areas are the focus for planning and implementation which would lead to enhancement of infrastructure and facilities in the college. The college has sports facilities, a library, and laboratories infrastructure which have improved over the past years. The institution endeavors for the continuous enhancement of these facilities.

Strategic Plan and deployment documents on the website	View File
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Major rules and regulations governing our institution are those which have been prescribed by the Government of Rajasthan and according to the directions received from the directorate of college education, Jaipur, Rajasthan. Many committees are formed at the college level for efficient and effective management on the various aspects covering the whole administration of activities pertaining to the students as well as the staff. These committees include various teaching members and are headed by senior faculty members. These may be pertaining to RUSA, accounts, IQAC, admissions, student elections, and examinations. AAO is responsible for the accounts-related matters, whereas the PTI takes care of all the sports facilities and activities. There is a provision for a librarian who would take care of the functioning of the library. Books are purchased in the library on the recommendation of faculty members, and the digitalization of the library is in the offing. The teachers are posted in the college by the Government of Rajasthan and these teachers are selected by the RPSC by a rigorous process of selection and appointment. The promotion of all staff members are processed by the directorate of college education according to Government rules and UGC norms. Grievance redressal mechanisms have been created in the college by the creation of some committees. The college has committees pertaining to SC/ST, women's cell and minorities' cell as per the norms and directions of the state government.

6.3 - Faculty Empowerment Strategies	
6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff	
<p>All government institutions in Rajasthan have effective welfare measures for teaching and non-teaching staff, and they are being implemented through GPF/ NPS and SI (State Insurance) programs. For medical establishments, Rajasthan's government has launched the Rajasthan Government Health Scheme (RGSH), under which each and every employee can receive health-related insurance Rs 5 lakhs for(indoor) and Rs 20000/-for outdoor patients. Governmentsponsored group insurance is another welfare program. The Rajasthan Pensioners Medical Fund benefits retired employees, and everyone is eligible for it. Apart from the standard Casual/Medical and Privilege leave, the employee is given Exceptional leave as COVID leave/ Quarantine leave. All the teaching and non-teaching faculty is eligible for gratuity and pension. Female employees are entitled to 180 days of maternity leave twice during their employment, as well as 730 days of child care leave during the course of their employment (Certain conditions apply). Paternity leave is available to both teaching and nonteaching employees. Apart from these Academic leave is granted to Teaching faculty for conducting practical examinations and to attend conferences & seminars so that they can upgrade their knowledge. MDS University, Ajmer deducts 6% of the compensation of professors in the form of Teachers Welfare Fund from their remuneration during the evaluation process, and the benefits are passed on to the needy in the event of a crisis or mishappenings taking place.</p>

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The performance of all employees in the institution is reviewed annually by the institution's head and finally by the competent authority at the commissioner level. An annual confidential

report (ACR) is submitted by all the employees, including both the teaching faculty members as well as the non-teaching college staff. The performance appraisal report contains information about their accomplishments and various significant tasks done in the duration of the appraisal period. The reviewing officer which is the Principal of the college assesses various reports of the employees which include the overall conduct, output of work, leadership qualities, analytical ability, management abilities, decision-making ability, and ability to take initiatives. For the teaching faculty, additional information regarding their academic accomplishments is also evaluated.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The principal of the college acts as the DDO in Government Colleges in Rajasthan. AAO handles the accounts section and his office maintain all the accounts books and follow the procedures laid down by the government. The college receives funds from various sources as follows:

- State Government - All government colleges are allocated money out of government funds under various heads. Committees of the college put forth their demand for expenditures which is granted by the principal and funds are utilized according to regulations of the state government.
- Scholarships - Various scholarships are granted to the students through online mode.
- RUSA - funds are maintained separately and the rules prescribed by the government have been adhered to.
- Vikas Samiti - This is a College Development Council that is registered and separate accounts are maintained for the funds available under this head.
- MP/MLA Fund - These funds are made available by the local MLA or MP for specific purposes and the college utilizes them and gets them duly audited.
- Alumni Association - The association of previous students of the college, which is also a registered body, may also contribute to the college in form of cash or kind.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

There has been a significant contribution by the IQAC for institutionalizing the quality assurance strategies and processes. The IQAC was set up by the college according to the norms and guidelines of NAAC. The following measures are taken in the institution for quality enhancement. 1. Teaching Learning The IQAC ensures that all the resources of the college are used in an objective manner for the quality enhancement of students and the college as a whole. The IQAC also ensures that the students are engaged in the decision making of the college and there is a participatory approach for involving them in decisions pertaining to cultural and cocurricular activities.

2. Research The IQAC of the SMM Girls College Bhilwara encourages the faculty members for enhancing their educational and academic values. The staff members are motivated to enroll for Ph.D. programs. The departments are encouraged to organize webinars and seminars also.

- IPR Webinar: IQAC organised a National Level E-workshop on "Intellectual property rights" held on 2 Feb 2022 under NIPAM (National IP Awareness mission). 700 participants from all over India attended the webinar and participated in the interactive sessions..
- IQAC Lecture: IQAC has organised an Offline lecture on "Career Opportunities in commerce" on 7th Dec 2021 with Department of Commerce. 130 Students and Faculty members were benefitted

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC has made continuous efforts for the improvement and extension of the resources in the college. The incremental improvements in facilities are visible both in infrastructure and the quality of facilities. The college is expanding and extending its resources in terms of new construction and renovation of existing facilities. The ICT resources, library, sports, and laboratory resources have witnessed continuous improvement and extension. Water harvesting, the creation of eclassroom, and proper disposal of chemical waste from laboratories have been the focus of recent times.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

S. M. M. Govt. Girls College knows and understands its responsibilities for environment protection and role for waste management . The college has solid waste management and hazardous chemicals waste management system. Solid waste bins are placed at different places in college campus like corridior, common room, Labs and classrooms. Chemistry lab has a fume hood. Fume hoods are designed specifically to provide ventilation for the protection of lab occupants during chemical reactions. Old newspapers, old files, old home assignments etc. are given for recycling to external agencies. Collected solid waste is handed over to the municipal council for further processing. Unit of NSS constantly organizes cleanliness programmes in which students and faculty members constantly

monitor the activity.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

It is the ethical duty of educational institutions to imbibe the society with the highest standards of morals and values.

The institutions are armed with the situations where they could impart educations of constitutional values to the students as well as the staff members. Various activities are organized in the college which helps in attaining these objectives. Observance of Constitution day, Human rights day, Independence day, Republic day, Voters day (Enrolment), and Road safety week inculcate and give an opportunity the students and employees alike to rededicate themselves towards constitutional values. Observance of Constitution day, Human rights day, Independence day, Republic day, Voters day (Enrolment) and Road safety week inculcate and give an opportunity the students and employees alike to rededicate themselves towards constitutional values.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The college takes a number of actions to reduce its energy usage. Replace inefficient tube lights and bulbs for example

LED bulbs. A committee that is responsible for keeping an eye on the hostel's energy use can successfully reduce it by educating the residents about the importance of energy conservation.

Ecofriendly Campus:

? Use of renewable energy.

? Provision for rain water harvesting in the main building of the college

Clean Campus/Green Campus: The college's NSS routinely host tree-planting drives.

A campus herbal garden maintained by the botany department or college.

Regular campus cleaning by NSS, Volunteers, Staff, & Teachers. Peepal, Kadamba, and Batvrsaksha plantations as part of the green campus. These trees give out more oxygen and have wide-spreading foliage. They also help deep and sustained ground water percolation.

The college fosters an energy-saving attitude with in and between students and staff through various programmes, discussions, and campaigns. RUSA runs various programmes, discussions, and campaigns to create an energy-conserving mentality among the students. A power quiz across departments can be held by the college for the students

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

We have a long history of dedication to the preservation of biodiversity. Numerous measures have been made to create a healthy and pollution-free environment on campus in order to continue our effort to improve the environment and maintain our ecosystem.

An attractive flock of parrots has populated the campus as a result of the ongoing effort to feed the birds (dana). A common sight in the area that enthralls everyone is a peacock strolling with its magnificent plumage, a prince priding himself in his glittering armour, or a peacock basking in the settling rays of the Sun.

A sizable well with a diameter of 8 feet will help with our ongoing efforts to increase biodiversity. In order to help birds survive the sweltering summer heat, numerous earthen bird feeders are also positioned in suitable locations.

Students were encouraged to keep their surroundings clean by starting a cleanliness drive that extended from the college grounds to their homes and the community at large.

lectures on good health and hygiene as well as inspiration for fighting the pandemic. During the 21-22 academic session, a Covid-19 awareness campaign was launched in the neighbourhood, and a vaccination clinic was set up for students who had turned 18 on campus.

The effort to increase the campus's green space and persistently work to maintain the life of the plants and trees

7.3.2 - Plan of action for the next academic year

Plan of action for next academic year

1. To introduce PG programs in few more departments in next academic session.
2. To introduce certificate courses in vocational programs.

3. To make campus clean, green and polythene free.
4. To organise workshop for students on skill development Programme .
5. To organise awareness programme on Entrepreneurship for Students .
6. Proposal for financial assistance from the Government department and Societies for organization of seminars and workshops.
7. Organization of more Seminars and workshops on the Use of ICT in Quality Teaching Learning and Research Methodology for quality research work.
8. To ensure quality of academic programs.
9. To organize different co-curricular activities for integrated development of student in present competitive world.
