CONCEPT NOTE

**"Education is the manifestation of the perfection already in man."
Swami Vivekananda**

Education has played a pivotal role in the social, cultural and ethical evolution of humanity. While framing any policy on Education, many issues need to be addressed to make it all encompassing and futuristically relevant. The Government of India has unveiled the "New Education Policy 2020", which has been hailed as one of first comprehensive document for education in India in the 21st Century. This Webinar is an attempt towards critically and constructively analyzing the policy and evaluate its possible outcomes for the coming generations
