### GREEN POLICY

SRKP Government PG College Kishangarh firmly believes in the idea of Green Ethics and Green Practices which is reflected in its lush green campus. The college is committed to maintain and strengthen the ecological balance at its campus. It tries to retrieve the environment by taking the initiative of practicing and promoting an eco-friendly lifestyle. The Green Policy aims to inculcate environmental awareness amongst students and promote conservation of resources. The institute endeavors to reduce and reuse the waste material through sound management practices and unique eco-friendly solutions.

The Green Campus Initiatives to be undertaken by the institution are:

- To organize tree plantation drives periodically with the help of students and faculty members
- To instill the values of compassion towards plants and trees amongst the students.
- To organize cleanliness campaigns periodically in and beyond the campus.
- To conserve energy by installing LED lights at the campus.
- To minimize usage of plastic and make the campus plastic free.
- To harvest rain water so as to recharge precious ground water reservoirs.
- To place dustbins at strategic locations in the campus for proper disposal of the waste.
- To install compost pit
- To promote paperless mode of functioning by minimizing the usage of paper for official correspondence
- To sensitize students and staff towards safe disposal of e-waste
- To promote conservation of resources
- To educate the students about methods and benefits of energy conservation
- To conduct various environmental awareness programmes by different committees of the college such as NSS, NCC, Rover Rangers, etc.
- To follow the practice of reduced power consumption
