Course Outcome, Program Outcome & Program Specific Outcome- Post-Graduate Course

(Master of Arts- History)

Course Outcome	Program Outcome	Program Specific Outcome
Complete and detailed study of history of Rajasthan, India and world is included in the syllabus. The entire study of origin of human beings and modern human life from the first phase of civilization is included in the course.	The complete study of history is playing a very important role in achieving success in all competitive examinations at the country and abroad level. Study of history, because the past acts as a bridge between the present, it is absolutely necessary for every student to know about the history.	The study of history includes the study of socio-cultural and glorious history of ancient, medieval, and modern India. The history of Rajasthan and the world, the history of women in India, the application of subject in the field of tourism, has been specifically presented for the study of the students.
