

Shri Ratanlal Kanwarlal Patni Govt. P. G. College Kishangarh(Ajmer)

Action taken report of feedback 2021-22

Feedbacks have been received from students offline as well as online through google forms. Feedbacks are also gathered by stakeholders such as teachers, parents, alumni association members in Parent Teacher meet and Alumni meets. The college has a College Development Committee which also includes some stakeholders. They also give suggestions in CDC meetings. The feedbacks obtained from students, teachers, alumni and parents are also referred to College Development Committee and other bodies of relevance in the college. Overall monitoring of feedback is carried out by the Principal.

Feedback by students

- Syllabus should be need based
- More practical training required
- More facilities for drinking water
- Repair work in college

Feedback by teachers

- Syllabus should be need based
- Teachers should be allowed to use innovative strategies for teaching
- Faculty should be encouraged to attend conferences and workshops to update their knowledge

Feedback by parents

- Online classes in Corona
- More library facilities

Feedback by alumni

- More facilities in college

Actions taken on these feedbacks are as follows:

- More practical sessions by faculty
- Various activities organised by NSS NCC and other committees for experiential learning
- Registration of grievances through Sampark portal
- Installation of ROs and water coolers for drinking water
- Establishment of smart classrooms
- Online videos for students by faculty on college you tube channel ccerajkishangarh
- Classwise Whatsapp groups of students created for circulating information and study material during pandemic.
- College updates CCE about vacant seats of faculty in various subjects so that these seats may be filled
- College Administration provides an encouraging atmosphere to faculty members for research activities
- Through CDC meetings College Administration takes advice from various stakeholders and tries to identify and solve the problems of the students and plan for the betterment of infrastructure and other facilities.
