

SRKP GOVT PG COLLEGE KISHANGARH

SWOC

STRENGTHS

- Substantial campus with good physical infrastructure.
- Convenient accessibility by rail, road and air.
- A well-established student support system
- Strategic location and safe and secure environment for girls students.
- Extension activities through the NSS, NCC, Rovers and Rangers, Youth Development Centre, and ELC units.
- Faculty participation in development programs, including refresher/orientation courses, seminars, conferences, and workshops, underscores the institution's commitment to enriching and empowering its educators.
- Vibrant platform for peer interaction through inter-collegiate cultural and sports events.

WEAKNESS

- Addressing the needs of first-generation learners poses a significant challenge.
- Poor communication skills of admitted students as most of the students are from rural background .
- Lack of autonomy and academic flexibility since it is an affiliated college.
- Inadequate financial resources hinder the college's growth and development.

OPPORTUNITIES

- Explore the expansion of postgraduate (PG) courses across a wider range of subjects.
- Explore the potential for organizing national and international workshops, seminars, and conferences.
- Ample opportunities to collaborate with local industrialists for giving students first hand experiences.
- Introduce an array of skill-based add-on courses and certificate programs to enhance students' skill sets.
- Promote the research environment to undertake both minor and major research projects.

CHALLENGES

- To build employability and entrepreneurship skill
- Improve English language communication skills of the students.
- Old college building built in 1959 requires maintenance and upkeep.
- To enhance job opportunities for our students by strengthening industry-academia relation.
- Addressing the educational challenges faced by students from rural backgrounds, where family occupations often involve labor or agriculture, posing distractions to academic focus and also pursuing their further study.
